OTHER ANNOUNCEMENTS

Registration

Registration of delegations will take place daily at the main entrance of the Kyoto International Conference Hall (KICH) until 10 December, between 8:00 and 18:30.

Credentials

Credentials of representatives as well as the names of alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat (Ms. Nathalie Eddy or Mr. Horacio Peluffo, Room 157).

Funding for delegates

Delegates from Parties eligible for funding are requested to contact the secretariat's administration in room G-2 from 10:00 to 12:00 and from 13:00 to 18:00.

Documents distribution counter

All current documents, the daily programme, and lists of participants are available at the documents distribution counter situated in the basement in front of room E, centrally located between the main building and the Event Hall. Folders containing background documents are available for consultation at the counter. All UNFCCC documents are also available on the World Wide Web (<http://www.cop3.or.jp>) and upon request by direct electronic mail to: secretariat@unfccc.de.

Portable headsets

Delegates are requested not to remove portable headsets from meeting-rooms. When not in use, the headsets should be turned off in order to conserve the batteries.

High-level segment of the session

Seating arrangements

The secretariat expects a large number of participants as well as members of the press and other media at the opening of the high-level segment attended by ministers and other heads of delegation on 8 December 1997.

Delegates are advised to pick up badges in advance. It would be helpful to reduce the time and shorten the queues, especially in the case of large delegations, if one person per delegation would pick up badges for the entire delegation.

As the President of the Conference wishes the meeting to start promptly, delegates are kindly requested to take their seats in good time.

In view of the large number of participants registered, the number of places is limited to four for each delegation and to one for intergovernmental organizations, United Nations bodies, specialized agencies and related organizations.

To ensure representative attendance by observers and the press and other media, a limited number of special cards will be issued to the coordinators of the various NGO constituencies and to the media liaison officers. Representatives of observer delegations and the media will have access to the meeting-room upon presentation of their badges and the special card.

The opening meeting will also be shown on the screen in Room A and on various monitors throughout the main building and the Event Hall.

Final arrangements will be announced in the Saturday edition of the Daily Programme.

Statements

Delegates are reminded that statements during the high-level segment should not exceed the five-minute limit to which the Conference

agreed at its 2nd plenary meeting. In view of the number of Parties and observers inscribed in the list, priority will be given to ministerial statements as indicated in the annotations to the provisional agenda.

Any changes in the name and rank of the speakers as previously notified to the secretariat should be communicated to the secretariat, so that the speakers list can be corrected accordingly. The contact person in the secretariat will be at the speakers list desk, which will be open from 9:30 to 13:00 and 14:30 to 17:30 at the information desk on the first floor. The contact person is Ms. June Budhooram (tel: 705-2742 from outside or extension 2628 at the KICH; fax: 705-2702).

Delegations wishing to have their statement distributed are kindly requested to provide 250 copies to the conference officers in the main hall.

Inter-religious gathering on climate change

An inter-religious gathering on climate change, organized by the World Council of Churches, will take place on Sunday, 7 December 1997, at 16:00 at Kawaramachi Catholic Cathedral, Kawaramachi-dori sanjo, Nakagyo-ku, Kyoto.

No smoking

Please note that smoking in the KICH is only allowed in designated smoking areas, such as the lounge near the snack bar and the sake bar on the ground floor of the main building, the snack bar in the Event Hall, and designated tables in the various restaurants.
