Secretariat update on Article 6.8 of the Paris Agreement

10th meeting of the Glasgow Committee on Non-market Approaches

Antalya, Türkiye, 10 November 2026

United Nations
Climate Change

Overview

NMA Platform

Recorded non-market approaches

Article 6.8 national focal points

Registered support providers

Capacity-building activities

NMA Platform improvements

Requested

Four improvements in decision 21/CMA.7

- New country filters (incl. SIDS)
- Expanded sectors drop-down menu
- Optional section on type of approach
- All countries fully visible on map

Status: Deferred

Why

Ongoing review of the work programme

Possible new functions, including recording Mitigation Work Programme projects and links to other platforms

Financial considerations

Next step

All agreed changes to be delivered as one package, subject to availability of financial resources
