

# Summary of Breakout Group on **LINKS**

30 September 2010

# Examples

---

1. **CGE draws on outputs of NWP;**
2. **LEG;**
3. **National adaptation bodies;**
4. **National universities and other relevant institutions;**
5. **Article 6;**
6. **Regional organizations help meet Party needs**

# How

---

1. MoUs;
2. Joint activities (e.g. workshops);
3. Targeted pledges;
4. Focal point-like events;
5. Multi-stakeholder approach;
6. National activities;
7. Follow up on pledges/MoUs;
8. Meeting of (NWP) experts

# Why *(added value)*

---

1. **More interactive**
2. **Better communications**
3. **Reach down to communities;**
4. **Connect knowledge and action (both ways);**
5. **Enhance capacity;**
6. **Reach the most vulnerable;**
7. **Professional communities of practice (health, tourism, DRR, food security, insurance, planners, economists, etc.)**
8. **Better mobilize strengths of organizations;**
9. **Build Parties' links to communities**

# Functions

---

1. Respond to Parties' requests and needs;
2. Execute MoUs or other agreements;
3. Hold good workshops and events;
4. Facilitate communication with “communities” and national bodies (e.g. universities, professional associations);
5. Find relevant expertise;
6. Co- operate with other UNFCCC bodies;
7. Help target the pledges;
8. Track pledge's effectiveness
