

Practicality overall focus on adding value through analysis and synthesis

(Australia, TT, New Zealand, Philippines, FAO, ADB, Switzerland, ISDR, WMO, Practical Action)

What (activities and deliverables)	Who (Parties, stakeholders and their roles)	How (modalities, if applicable)
<p>Online resources:</p> <ul style="list-style-type: none"> ▪ Simple on-line resource/presentation for use of Parties explaining the Nairobi work programme ▪ Increase functionality of NWP website, e.g. different formats of information (Podcasts, videos, more languages) ▪ Partners to provide context of their involvement with the NWP on their websites and provide regular updates 	<p>Secretariat</p> <p>Secretariat with input from Parties and partners through user-surveys</p> <p>Partners</p>	<p>PPT</p> <p>Improve existing website and eventually develop free-standing NWP website with user-friendly design and which is also made available off-line</p>
<p>More feedback:</p> <ul style="list-style-type: none"> ▪ Regular reporting for feedback, sharing of lessons learned, tracking of how outputs have been used at national and subnational levels and the outcomes achieved, e.g. 2 page summaries by Parties and partners 	<p>Parties and Partners, follow-up Secretariat</p>	
<p>Enhanced documentation:</p> <ul style="list-style-type: none"> ▪ Popular summaries of technical reports, possibly in the format of a summary for decision makers and add contact information on any follow-up ▪ Develop specific guidelines/guidebooks, for example on risk assessment, insurance ▪ Tailor NWP documentation to regional/national/subnational context, through analysis and synthesis and multiple languages 	<p>Secretariat</p> <p>Request by Parties to be developed by Secretariat and/or partners</p> <p>Parties and partners, and to some extent Secretariat</p>	<p>Enhanced engagement of Parties, in particular all relevant elements of government to raise awareness of NWP products</p> <p>Standard roll-out plan for tailoring by Parties</p>
<p>Enhanced meetings:</p> <ul style="list-style-type: none"> ▪ Workshops/meetings be more targeted on a theme/region with a clear objective and target audience and possibility of follow-up 	<p>Secretariat upon request by Parties with input from Parties and partners</p>	<p>Workshop, follow-up: studies/pilots</p>
<p>Clearinghouse/platform</p> <ul style="list-style-type: none"> ▪ Immediate next step of NWP needed: enhanced technical backstopping to fill gap between advice generated under the NWP and capacity built and subsequent implementation of adaptation ▪ Better link between calls for action and action pledges ▪ Good examples which could be tapped in through strategic partnerships: UNDP knowledge network with fulltime facilitator to channel requests with providers/ UNTeam; UNEP/ADB platforms 	<p>Parties, partners, secretariat</p>	<p>Further investigate possibility of facilitated networks/clearinghouse at international but also national level and strategic partnerships</p>
