A close-up photograph of a hand holding a light green plastic cup over a stream of water. The cup is tilted, and water is visible inside it. The background is a blurred, flowing stream of water with ripples and reflections. The text 'Gaps, needs, challenges' is overlaid on the left side of the image in a large, bold, light green font with a black outline.

**Gaps,
needs,
challenges**

Gaps, needs, challenges

- **Implementation and funding**
- **Surveillance and early-warning systems**
- **Knowledge, health and climate**
- **Intersectoral and transboundary engagement**
- **Capacity**
- **Awareness**
