

7th meeting of the Adaptation Committee

Agenda item 7 (b)

Expert meeting on promoting livelihoods and economic diversification

Report from breakout group

Bonn, Germany, 24-27 February

Klaus Radunsky, Adaptation Committee member

I. Report

- ❖ There is a broad range of topics that can be addressed by the workshop
- ❖ To get the balance right, the suggestion is that we create an Ad hoc working group for the workshop to engage with the secretariat to do the following:
 - Further planning;
 - Develop questions, to be circulated to participants upfront;
 - Consideration of the type of experts to be invited
- ❖ Members: Don, Margaret, Andro

II: Next steps

Invite all to send potential questions before the end of the meeting
