

**Adaptation Committee/Least Developed Countries Expert Group**

Workshop on experiences, good practices, lessons learned, gaps and needs on the process to formulate and implement national adaptation plans

**Considerations on medium- and long-term adaptation**

Bonn, Germany, 16-17 April 2015

## Context

---

- ❖ Both the AC and the LEG undertake work on various activities related to medium- and long-term adaptation in the context of their respective mandates on supporting NAPs.

## Work of the AC on NAPs

---

- ❖ Review of LEG technical guidelines for NAPs for applicability to non-LDC developing countries
- ❖ Establishment and workplan of a Task Force on NAPs
- ❖ Analysis of technical support provided regionally
- ❖ Monitoring and evaluation of adaptation (incl. workshop)
- ❖ Means of implementation of adaptation (incl. workshop)
- ❖ Collaboration with LEG on NAP Central and NAP Expo
- ❖ Ensuring coherence of the NAP process in the long-and medium term by the constituted bodies under the Convention, incl. the financial mechanism, and other organizations

*Refer to the background presentation on the work of the AC on NAPs for full details, available at <<http://unfccc.int/8903>>*

## Work of the LEG on NAPs

---

- ❖ Technical guidelines for the NAP process
- ❖ Information and technical materials on NAPs
- ❖ Publications on best practices and lessons learned
- ❖ Monitoring and evaluation of progress, effectiveness and gaps in the NAP process
- ❖ Gaps and needs from the LDCs on NAPs
- ❖ Training on NAPs
- ❖ NAP Expo
- ❖ NAP Central

*Refer to the background presentation on the work of the LEG on NAPs for full details, available at <<http://unfccc.int/8903>>*

## Engagement of Parties, organizations, individuals, etc.

---

- ❖ The AC and the LEG engage a wide range of stakeholders in their work, including:
  - Parties
  - Organizations and agencies
  - Regional centres and networks
  - Other adaptation practitioners
- ❖ These stakeholders assist the bodies in various ways:
  - Identifying, communicating/sharing and addressing experiences, good practices, lessons learned, gaps and needs
  - Cooperation/collaboration in providing support on NAPs
  - Sharing knowledge and expertise related to NAPs
  - Etc...

## Areas of focus at this workshop

---

- ❖ The following issues related to the various medium and long-term elements of the NAP process were identified as relevant to focus on at this workshop:

Related element of the NAP process	Areas of focus
<b>Element A:</b> Laying the groundwork and addressing gaps	Governance structures, policies, regulations and legislation
<b>Element B:</b> Preparatory elements	Science and knowledge
<b>Element C:</b> Implementation strategies	Finance and implementation
<b>Element D:</b> Reporting, monitoring and review	Monitoring, evaluation, reporting, sharing and learning

## To explore the information as mandated

---

### ❖ Guiding questions

- That were aimed at soliciting experiences, good practices, lessons learned, gaps and needs from the participants;

### ❖ Participants

- Help in filling out the necessary gaps in information, using the guiding questions, and identify next steps

### ❖ Invited speakers to provide perspectives, or experiences on medium- and long-term adaptation
