

8<sup>th</sup> meeting of the Adaptation Committee

# Agenda item 8(b) Communication and outreach

Scoping note on the in-session side event at COP 21

Bonn, Germany, 9 to 12 September 2015

**Sadya Ndoko, Programme Officer**  
UNFCCC secretariat, Adaptation programme

## II: Introduction and background

---

- ❖ AC agreed to convene an in-session side event at COP 21 to:
  - Present work on means of implementation, in particular related to the NAP process;
  - Present the 2015 overview report;
  - Get feedback during discussions on the work of the AC and additional suggestions for further activities.

## II: Summary

---

- ❖ **Data and time:** Tuesday 1 December 2015, 13:15-14:45
- ❖ **Format:** side event could be in 3 parts:
  - Framing presentation by the AC
    - ✓ AC work on means of implementation;
    - ✓ Key messages from overview report and paper on support available for NAP process (if relevant);
    - ✓ Recommendations to the COP
  - Panel discussion on accessing resources for the NAP process. Panellists: GCF, GEF and 3 countries
  - A general discussion with all participants

### III: Next Steps

---

- ❖ The AC may wish to agree on the objective and format of the in-session side event
