

## Questions suggested by the co-facilitators for APA informal consultations on item 4 on 12 May, 4-6 pm

### Questions related to purpose and elements

1. What elements would be required to achieve the purposes discussed at the informal consultations on item 4 on 11 May?

*Co-facilitators suggest starting question 1 with the following two purposes:*

- a. Enhancing adaptation action and support*
- b. Assessing progress in achieving the global goal for adaptation*

2. What, if any, elements should be common or minimum content, and what elements would be optional?

### Question related to linkages

1. Regarding the linkages with other APA items (transparency, global stocktake, other?) as well as with the work of the permanent Subsidiary Bodies and other constituted bodies (AC, LEG, SCF, CGE, others?), as identified in the submissions,<sup>1</sup> what content should be developed by APA item 4, and how should this happen?

<sup>1</sup> The views contained in the submissions on linkages are synthesized in chapter V of the synthesis of submissions prepared by the secretariat, available here: <http://unfccc.int/resource/docs/2017/apa/eng/inf03.pdf>
