

DRAFT TEXT on

ADP 2-7 agenda item 3 Implementation of all the elements of decision 1/CP.17

11 November 2014

Advancing the Durban Platform for Enhanced Action Draft by the Co-Chairs

The Conference of the Parties,

Recalling the objective of the Convention as set out in its Article 2,

Recalling the principles the Convention as set out in its Article 3 and the provisions of the Convention, including in particular those set out in its Article 4

Recalling decisions 1/CP.17, 2/CP.18 and 1/CP.19,

Reiterating that the work of the Ad Hoc Working Group on the Durban Platform for Enhanced Action shall be guided by the principles of the Convention,

Encouraging each Party to communicate the most ambitious contribution possible in response to decision 1/CP.19, paragraph 2(b) *addressing, inter alia, mitigation, adaptation, finance, technology development and transfer, transparency of action and support, and capacity building.*

Acknowledging that contributions will be undertaken in accordance with the principles *and provisions* of the Convention, including equity and common but differentiated responsibilities and respective capabilities,

Guided by the need to urgently address the significant gap between the likely aggregate global emissions of greenhouse gases by 2020 resulting from existing mitigation commitments and actions of Parties and aggregate emission pathways consistent with having a likely chance of holding the increase in global average temperature to below 2 °C or 1.5 °C above pre-industrial levels,

Recalling the responsibility of developed countries to take the lead in combating climate change and the adverse effects thereof, and to undertake equitable and adequate contributions by each of these Parties to the global effort regarding the objective of the Convention.

Reaffirming that fulfilling the ultimate objective of the Convention will require strengthening the multilateral, rules-based regime and the urgent and sustained implementation of existing commitments under the Convention.

Determined to fully implement the agreements reached and further enhance long-term cooperative action under the Convention in order to achieve its ultimate objective.

Recognizing that the technical expert meetings held during 2014 have been instrumental in identifying good practice policy options,

Acknowledging that subnational authorities, intergovernmental organizations, civil society, indigenous peoples, local communities, the private sector and cooperative initiatives are catalysing significant action and enhancing the impact of policy implementation by Parties on reducing emissions and vulnerability and building resilience to the adverse effects of climate change,
