ADP 2-7 agenda item 3
Implementation of all the elements of decision 1/CP.17

11 November 2014

Advancing the Durban Platform for Enhanced Action

Draft by the Co-Chairs

[Comment by Algeria on behalf of the Arab Group on paras. 7 to 12](#)

7. Welcomes both the progress made by Parties in domestic preparations for their intended nationally determined contributions in response to decision 1/CP.19, paragraph 2(b), and the support being provided to developing countries for the preparation of their intended nationally determined contributions in response to decision 1/CP.19, paragraph 2(d);

8. Notes that the scope of contributions is to be nationally determined in the context of Article 2 of the Convention, and in accordance with its principles and provisions;

9. Stresses that all Parties should include ~~a mitigation component~~ the following elements in their intended nationally determined contributions;

(a) Developed country Parties and other Parties included in Annex I of the Convention shall provide the information identified in the annex relevant to enhanced action on their specific commitments to undertake mitigation, in accordance with Article 4, paragraph 2(a) and (b) of the Convention;

(b) Developed country Parties and other Parties included in Annex II of the Convention shall provide the information identified in the annex relevant to their enhanced action under Articles 4, paragraphs 3 to 5, of the Convention to provide support for the enhanced actions by developing country Parties to implement the Convention;

(c) Developing country Parties are encouraged to provide the information identified in the annex relevant to their enhanced actions to implement the Convention, subject to the provision of support from, inter alia, developed country Parties in accordance with decision 1/CP.19, paragraph 2(d)

10. Agrees that achievement of the aggregate level of ambition indicated as necessary by the scientific findings assessed in the Fifth Assessment Report of the Intergovernmental Panel on Climate Change ~~through~~ requires nationally determined contributions ~~requires on~~ mitigation, adaptation and means of implementation, consistent with Parties commitments under the Convention, as follows:

(a) Implementation of mitigation contributions by each Party beyond any commitment or action currently undertaken by it under the Convention or its Kyoto Protocol, in the pre-2020 period, consistent with the principles and the provisions of the Convention;

(b) Mobilization and provision by Annex II Parties of increasing levels of financial, technological and capacity- building support for developing country Parties, ~~in particular those most vulnerable,~~ including Parties that are particularly

vulnerable to the adverse effects of climate change;

11. *Recognizes* that the intended nationally determined contributions from developing countries that are particularly vulnerable to the adverse effects of climate change, ~~especially the least developed countries and small island developing States,~~ will reflect their efforts in the context of their specific needs and special situations under the Article 4.1 of the Convention and subject to the full and effective implementation of Articles 4.3, 4.4, 4.5 and 4.7 of the Convention;

12. *Notes* that ~~intended nationally determined contributions associated with the different elements referred to in paragraph 5 of decision 1/CP.17 have unique characteristics and time frames;~~
