on
ADP 2-7 agenda item 3
Implementation of all the elements of decision 1/CP.17
11 November 2014
Advancing the Durban Platform for Enhanced Action
Draft by the Co-Chairs
The Conference of the Parties

Recalling the objective of the Convention as set out in its Article 2,

Recalling decisions 1/CP.17, 2/CP.18 and 1/CP.19,

Reiterating that the work of the Ad Hoc Working Group on the Durban Platform for Enhanced Action shall be guided by the principles of the Convention,
Encouraging each Party to communicate the most ambitious contribution possible in response to decision 1/CP.19, paragraph 2(b),

Acknowledging that contributions will be undertaken in accordance with the principles of the Convention, including equity and common but differentiated responsibilities and respective capabilities,

Guided by the need to urgently address the significant gap between the likely aggregate global emissions of greenhouse gases by 2020 resulting from existing mitigation commitments and actions of Parties and aggregate emission pathways consistent with having a likely chance of holding the increase in global average temperature to below 2 °C or 1.5 °C above pre-industrial levels,

Recognizing that the technical expert meetings held during 2014 have been instrumental in identifying good practice policy options,

Acknowledging that subnational authorities, intergovernmental organizations, civil society, indigenous peoples, local communities, the private sector and cooperative initiatives are catalysing significant action and enhancing the impact of policy implementation by Parties on reducing emissions and vulnerability and building resilience to the adverse effects of climate change, [as a complementary effort to Parties commitments under Art.4 of the Convention.](#)

1. Welcomes the elaboration and consideration of elements for a draft negotiating text undertaken by the Ad Hoc Working Group on the Durban Platform for Enhanced Action in response to decision 2/CP.18, paragraph 9, and decision 1/CP.19, paragraph 2(a);

2. Decides that the Ad Hoc Working Group on the Durban Platform for Enhanced Action shall conclude its work as early as possible by making [available a draft negotiating text recommendation](#) for a protocol, another legal instrument or an

agreed outcome with legal force under the Convention applicable to all Parties ~~and any accompanying draft decisions~~ for adoption by the Conference of the Parties at its twenty-first session (November–December 2015);

3. Requests the Ad Hoc Working Group on the Durban Platform for Enhanced Action to further intensify the process of negotiation towards the achievement of the ~~recommendation-draft text~~ referred to in paragraph 2 above;

4. Affirms that the recommendation referred to in paragraph 2 above shall address all the elements referred to in decision 1/CP.17, paragraph 5, including, inter alia, mitigation, adaptation, finance, technology development and transfer, capacity-building and transparency of action and support;

5. Affirms its determination to achieve political parity between mitigation and adaptation in the protocol, another legal instrument or agreed outcome with legal force referred to in paragraph 2 above;

6. Affirms that transparent demonstration of the full and effective implementation of existing actions and commitments is essential for providing a solid foundation for enhanced action and for building trust and confidence; in this regard we decide to adopt a mechanism of MRV as part of the elements for the 2015 agreement.
