

ADP 2.8, 8 – 13 February 2015

Briefing on support for Intended Nationally Determined Contributions (INDCs)

Monday 9 February, 1800–2000
Meeting room XIX

Provisional Agenda

Introduction

COP 20 reiterated its invitation to each Party to communicate to the secretariat its intended nationally determined contribution towards achieving the objective of the Convention as set out in its Article 2.

COP 20 also reiterated its call to developed country Parties, the operating entities of the financial mechanism and any other organizations in a position to do so to provide support for the related activities referred to above.

At the ADP March session 2014, an in-session workshop was organized with the objective of providing a space for Parties to share experiences and learn from each other on approaches, processes, constraints and challenges relating to the preparation of INDCs.

At the ADP October session 2014, a briefing event was organized with the objective to highlight case studies on cooperation and support in relation to the support for the preparation of INDCs.
