

Agenda item 6: 2017 focus area or theme

During its first meeting, the Paris Committee on Capacity-building (PCCB) agreed:

- a) To request the secretariat to finalize the summary report on the discussions that took place during the one day dedicated event on the 2017 focus area or theme;
- b) To take the following next steps as also reflected in its rolling workplan:
 - Assessment of capacity-building needs as identified in relevant sources (such as NDCs, BURs, NatComs, Reports of the Durban Forum);
 - Assessment of work conducted by other constituted bodies of relevance to this subject matter with a view to identifying gaps, solutions and synergies;
 - Dedicated representatives of the PCCB to liaise with the respective bodies with a view to share and gather relevant information;
 - Strengthen the capacity-building portal as appropriate;
- c) To create appropriate working groups;
- d) To issue a call for submissions from Parties, constituted bodies, and other interested stakeholders to provide information of relevance to the work of the PCCB on the 2017 focus area or theme.
