

Strengthening collaboration between different actors to support capacity-building activities for the implementation of NDCs in the context of the Paris Agreement

- 1. Compile information on capacity-building gaps to report back to the COP, for example through a database, which maps the needs in a holistic manner*
- 2. Compilation of available training on capacity-building online, and other reference materials*
- 3. Establish taskforce on specific capacity-building issues*
- 4. Establish capacity-building national focal points*
- 5. Provide guidelines on how capacity-building needs are reported in national report to the Convention, including National communications and Biennial update reports.*
