

Regional Workshop on the Implementation of Article 6 of the Convention in Africa

Methodology and objectives of the workshop

**Banjul, the Gambia
13-16 September 2010**

Enrica Melandri
<emelandri@unfccc.int>
<cbo-unit@unfccc.int>

Objectives

Contribute to the intermediate review of the amended New Delhi Work Programme (decision 9/CP. 13) by:

- Taking stock of the progress made in the implementation of the aNDWP to date
- Identifying essential needs for, potential gaps in, and barriers to, the implementation of the aNDWP
- Identifying lessons learned and good practices with a view to their dissemination, promotion, replication and introduction as appropriate
- Identifying recommendations on further steps for the improvement or enhancement of the aNDWP

Panel discussions on good practices

- Public awareness
- Education and training
- International and regional cooperation
- Public participation, communication and access to information on climate change issues

Working Groups

- Networking and information exchange tools:
CC:iNet and UN CC:learn
- Reporting on implementation of Article 6 in the region through national communications
- Outcomes and possible ways forward

Working Groups methodology

- Experts grouped by languages in order to facilitate discussions
- Each group selects a moderator and a rapporteur
- Role of the moderator: facilitates discussion using Guiding Questions
- Role of the rapporteur: take notes during the discussion and submits a brief written summary
- A 10-minute oral summary of the discussions is provided either by the moderator or the rapporteur at the following Plenary

Questionnaires

- Article 6
- CC:iNet
- Survey by the Consultative Group of Experts on National Communications from NAI

Work can start
