

Report-back from breakout group 2

MAIN ISSUES DISCUSSED / KEY TAKEAWAY MESSAGE

- Information on **pledges made before and during Paris** and put additional context beyond the numbers
- Reiterated **usefulness of guidelines contained in Warsaw decision**:
 - Good balance between qualitative and quantitative information;
 - More information for enabling environments for adaptation;
 - Choose information in updated strategies and approaches with the end-user in mind;
 - Successes and challenges from mobilizing climate finance.
- Usefulness of **putting the submissions in a broader context** was raised, in the context of Paris Agreement article 2.1C (*“Making finance flows consistent with a pathway towards low greenhouse gas emissions and climate resilient development”*)
- Future submissions will be a useful exercise that will inform the process on PA article 9.5.
