

In-session workshop on long-term climate finance in 2017

Room Nairobi, World Conference Center Bonn

Bonn, Germany

15 May 2017, 10:00–18:00

Draft Programme

10:00 – 10:20	Opening Remarks by Ms. Patricia Espinosa, Executive Secretary, UNFCCC (tbc) Ambassador Janine Felson and Mr. Stefan Schwager, Co-facilitators of the LTF in-session workshop 2017
10:20 – 13:00	Segment 1: Articulating and translating needs identified in country-driven processes into projects and programmes
10:20 – 10:30	Part I: <u>Scene-setting presentation</u> on current ways for articulating and assessing needs under the Convention
10:30 – 11:15	Part II: <u>Case-study discussions</u> on experiences and lessons learnt from identifying and assessing financial needs in the context of nationally determined contributions (NDCs) and technology needs assessments (TNAs)
11:15 – 12:00	Part III: <u>Breakout group discussions</u> <ul style="list-style-type: none">- What steps and actions are needed to further improve the identification and assessment of climate finance needs at country level?- Based on existing lessons learned and best practices, which actions can developing countries and partners take to accelerate the translation of climate finance needs into projects and programmes?- What are countries' respective support needs?
12:00 – 12:30	Part IV: <u>Report back</u> from the breakout groups
12:30 – 13:00	Part V: <u>Open discussion</u> on translating climate finance needs into action
13:00 – 15:00	<i>Lunch break</i>
15:00 – 17:45	Segment 2: Facilitating enhanced access
15:00 – 15:15	Part I: <u>Scene-setting presentation</u> on key challenges and opportunities for accessing climate finance in developing countries
15:15 – 16:00	Part II: <u>Case-study discussions</u> on accessing climate finance from multilateral climate funds: Country and regional experiences.
16:00 – 16:45	Part III: <u>Breakout group discussions</u> <ul style="list-style-type: none">- What needs to be improved or simplified both at the recipient country level and the fund level to facilitate enhanced and country-driven access to climate finance?- Which further steps and actions are needed to create enabling policy and regulatory environments that help facilitate private climate investments in developing countries and in which areas do countries require support?
16:45 – 17:15	Part IV: <u>Report back</u> from the breakout groups
17:15 – 17:45	Part V: <u>Public/private sector panel discussion</u> on concrete actions to enhance access to climate finance
17:45 – 18:00	Wrap-up and closure
