

Work Programme under the Paris Agreement of the forum on the Impact of the Implementation of Response measures

**PRE-SESSIONAL WORKSHOP
5 NOVEMBER 2017
BONN, GERMANY**

“BRAINSTORMING SESSION”

Implementation of Response measure under Paris Agreement

Impact of implementation of response measure as key concerns of developing countries

Coordinate and integrate with social and economic development

Avoid adverse impacts and taking into account legitimate needs of developing countries

Implementation of Response measure under Paris Agreement

Measures taken to combat climate change, including unilateral measures, should not create a means of:

- arbitrary, or
- unjustifiable discrimination, or
- disguised restriction

on international trade.

Implementation of Response measure under Paris Agreement

Avoid / minimize negative impact of response measures on social and economic sectors of developing countries

The forum should be enhanced and lead to concrete outcomes in terms of actions and implementation

Current Work Programme

Work Programme under the PA – RM Forum

- Continuity of areas of work programme under the improved forum
- Development of inventory of impacts of response measures
- Assessment of impacts of response measures: issue / sector specific
