Dear Sir

NATIONAL DESIGNATED ENTITIES (NDES) FOR THE CTCN

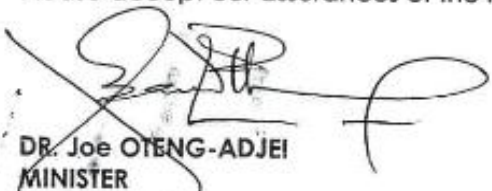

We kindly refer to the attached, for ease of reference the Information Note on the above subject matter.

The Ministry has given approval and designated the Environmental Protection Agency (EPA) as the National Designated Entity (NDE) and also nominated Mr. Joseph Amankwa Baffoe, a Senior Programme Officer in the Climate Change Unit of the EPA to serve as the Focal Point in the Agency for the promotion of Climate Change Technologies in Ghana.

It would therefore be very much appreciated if the necessary action is taken on the matter and feedback provided to the Ministry at your earliest convenience.

By a copy of this letter, EPA is kindly requested to take note and act accordingly.

Please accept our assurances of the highest esteem.

DR. JOE OTENG-ADJEI
