**RE: APPOINTING THE COMMISSION OF SCIENCE AND  
TECHNOLOGY TO BE A NATIONAL DESIGNATED ENTITY FOR  
CLIMATE CHANGE TECHONOLOGY**

---

Reference is made to the above heading.

The Conference of the Parties to the United Nations Framework Convention on Climate Change (UNFCCC) at its 18<sup>th</sup> session, invited parties to nominate their national designated entities (NDEs) for the development and transfer of technologies addressing climate change, pursuant to decision 2/cp.17. The NDEs will serve as national entities for the development and transfer of technologies and act as a focal points for interacting with the Climate Technology Centre regarding requests from developing country Parties about their technology needs.

Bearing the fact that your organization is the main custodian of Science and technology dissemination in the country, the Vice President's Office as a Climate Change Focal Point, has appointed your organization to be the NDE for the United Republic of Tanzania. It is expected that your office will liase with the national climate change focal point to spearhead this important obligation. For any further information please liase with the UNFCCC focal point (+255 2116995) or Mr. Geoffrey Ev. Bakanga (+255 756 538875).

We thank you for your continued cooperation.
