

## **A shared vision for long-term cooperative action**

### **Indicative questions for the meeting of the contact group on AWG-LCA item 3 on Thursday, 3 June 2010**

*In the text to facilitate negotiations among Parties (FCCC/AWGLCA/2010/6), a shared vision for long-term cooperative action is presented in the preamble and paragraphs 1–4 of chapter I (annex I).*

*In relation to the preamble of chapter I:*

- 1)** Is the scope of the preamble appropriate?

*In relation to paragraph 1 of chapter I:*

- 2)** Should a shared vision be articulated for each of the building blocks - and, if so, how?

*In relation to paragraphs 2-3 of chapter I:*

- 3)** How should a long-term global goal for emission reductions be expressed?

*In relation to paragraph 4 of chapter I:*

- 4)** How should overall progress in implementation, including the long-term global goal for emission reductions, be reviewed?
  - What inputs are required?
  - Should the review/assessment be undertaken periodically or once?
