C. Funding

The Executive Secretary hopes that enough money will be available to permit the secretariat to offer funding, as in the past, to one delegate from each Party selected as eligible for funding to participate in the three sessions. A separate communication has been sent to eligible Parties regarding funding. The secretariat will receive nominations concerning this offer for funding until **25 April 1998**.

The secretariat would like to inform those Parties which are not least developed countries or small island developing States and which would normally be eligible for financial support to participate in the meetings of the Conference of the Parties and its subsidiary bodies, but who have not paid their 1996 contributions, that they will not be considered for funding from the Trust Fund for Participation. This criterion will also apply with respect to the November sessions of the Convention to those Parties whose 1997 contribution has not been received by **1 July 1998**.

D. Representation

States that are not Parties to the Convention are advised that paragraph 6, Article 7, of the Convention, provides, inter alia, for their representation as observers at sessions of the Conference of the Parties and its subsidiary bodies.

Communications from all Parties to the Executive Secretary concerning representation at the three sessions mentioned above should reach the secretariat by 11 May 1998, at the latest, at the following address:
