The Permanent Mission of the Islamic Republic of Afghanistan to the United Nations in New York presents its compliments to the Permanent Missions and Permanent Observers to the United Nations and takes this opportunity to inform the following:

With regards to the Copenhagen Accord of the 18th January 2010 adopted by the Conference of Parties at its Fifteen Session, the Islamic Republic of Afghanistan has the honour to inform of the following:

1. The Islamic Republic of Afghanistan confirms its intention to be a signatory to the Copenhagen Accord, including to any statement of association that comes after the finalization of the COP report;
2. Calls for further technical collaboration and negotiation between parties leading to COP 16 in Mexico, which it is hoped will establish an effective, functional, comprehensive and equitable Climate Change regime beyond 2012, in line with the ultimate objectives of the UNFCCC.
3. The Permanent Mission of Afghanistan further has the honour to inform that with respect to the Accord's Appendix II, the Islamic Republic of Afghanistan, as a developing country Party, submits the following nationally appropriate mitigation actions:

Non-Annex I	Actions
	i) Preparation of the Initial National Communication (INC), which will include specific mitigation strategies and
