

# Parties' textual proposals for the placeholders in the revised guidelines

Workshop on the revision of the guidelines for the preparation of national communications by Annex I Parties, 13-14 May, 2016, Bonn

## National GHG inventory arrangements

---

NC	BR
[no relevant information requested]	Annex I Parties shall provide summary information on their national inventory arrangement in accordance with the reporting requirements contained in the UNFCCC Annex I inventory reporting guidelines, and on the changes to these national inventory arrangements since their last national communication or biennial report (para. 3)

### Placeholder: EU proposal - New section C. National inventory arrangements:

- Only a short summary of the description of national inventory arrangements should be included in the national communications.

## Response measures

---

NC	BR
[no relevant information requested]	Each Annex I Party is encouraged to provide, to the extent possible, detailed information on the assessment of the economic and social consequences of response measures. (Para 8. )

### **Placeholder: Saudi Arabia proposal at SBI 42:**

- Information on economic and social consequences of response measures. (para 16bis of the Technical paper)
