

# Ukraine on Article 6.8

THE ROUND-TABLE DISCUSSION AMONG PARTIES FOR  
ARTICLE 6 OF THE PARIS AGREEMENT SBSTA ITEM 11.C

November 5<sup>th</sup> 2017 , Bonn (Germany)

## Article 6 paragraph 8 dimensions

- **General for Article 6 (paragraph 1):**
  - voluntary cooperation;
  - implementation of Parties NDCs;
  - higher ambition in their mitigation and adaptation actions;
  - promotion of sustainable development and environmental integrity.
- **Specifics for paragraph 8:**
  - integrated, holistic and balanced, non-market;
  - in the context of sustainable development and poverty eradication
  - *Scope, inter alia:*
    - Mitigation;
    - Adaptation;
    - Finance;
    - Technology transfer;
    - Capacity building.
  - *Shall:*
    - **Promote mitigation and adaptation ambition;**
    - **Enhance public and private sector participation** in the implementation of NDCs;
    - **Enable opportunities for coordination** across instruments and relevant institutional arrangements.

## Non-markets

Dealing with political and social leverages.  
It is a process not just a decision or mechanism.

*How to ensure coexistence of mankind and sustainable development in the future, where climate constantly and unpredictable changes?*

### Permanent Subsidiary Body – Committee for Future

## Committee for Future shall

Act under the guidance of the CMA to

- Promote mitigation and adaptation ambition;
- Enhance public and private sector participation in the implementation of nationally determined contributions; and
- Enable opportunities for coordination across instruments and relevant institutional arrangements.

by

- Addressing crosscutting issues and holding consultations with other UN, international and regional agencies and treaties;
- Addressing the sustainability of the economic and social transitions necessitated by climate-change mitigation and adaptation;
- Addressing competitive aspects of international and regional climate policies.

Tools for  
Committee  
for Future

- Currency arrangement (EBI);
- Climate Righteousness;
  
- Foresights (futures studies);
- Events;
- Publications.

Thank you!

## Guiding questions

- **What actions would facilitate the implementation and coordination of non-market approaches and enhance linkages and create synergy?**
  - You may wish to address steps to achieve the objectives of the current work programme.
  - You may wish to specify activities that would deliver coordination of non-market approaches and improve the linkages and synergy in Parties' actions.
- **How should the draft CMA decision on the work programme (as per 1/CP.21 paragraph 40) guide work under the framework?**
  - You may wish to address the content of the decision and how it would structure the framework's work programme.
- **What should be the organizational arrangements for the framework?**
  - You may wish to address options for organizing work such as a committee, a forum, a best practice sharing approach etc.
  - You may wish to address how the framework relates to other parts of the Paris Agreement and how it is reflected in the transparency framework under Article 13.
