I am pleased to inform Parties, observer States and observer organizations to the United Nations Framework Convention on Climate Change and its Kyoto Protocol that the Bureau of the Convention met on Tuesday, 13 February 2007 and decided to accept with gratitude, the offer by the Government of Indonesia to host COP 13 and COP/MOP 3 at the Bali International Conference Centre and the adjacent facilities and services in Nusa Dua.

The Bureau requested the secretariat to complete the corresponding host country agreement with Indonesia in time for the sessions of the Subsidiary Bodies in May 2007.

The Bureau also noted that additional investments in infrastructure will be required to hold the conference and welcome the decision of the Government of Indonesia to build temporary structures and additional services as required in an appropriate timeframe.

The formal notification, containing the provisional agendas and other details concerning the above-mentioned sessions, will be sent to Parties and observers in due course.
