The manual contains complete information and guidelines on how to obtain access to the system and its use. A help desk is available at the following e-mail address:

<onlinereg@unfccc.int>

I would like to remind Parties and observer States that the Conference of the Parties, by decision 23/CP.18, invited Parties to commit to meeting the goal of gender balance by, inter alia, nominating women to bodies established under the Convention and its Kyoto Protocol, with the aim of a gradual but significant increase in the participation of women. To this end, I would like to encourage the nomination of women participants to attend the forthcoming sessions.

Participants in a position to do so are encouraged to consider offsetting the carbon footprint associated with their attendance at the Warsaw Conference.

Yours sincerely,

(Signed by)

Christiana Figueres
