Subject: "SBI AIM submission on opportunities to further enhance the effective engagement of non-Party stakeholders with a view to strengthening the implementation of the provisions of decision 1/CP.21."

Two suggestions to enhance the non – party stakeholders engagement:

Allow change of the nominated names in cases of emergencies. Allow the contact person to be able to replace a confirmed attendee if that person is unable to attend.

Allow the non party stakeholder to negotiate the change of slots e.g if you have three slots allocated for the entire two weeks and then you have no one attending week one but four people attending week two – allow the contact person to include the 4th person for week two and they can forfeit week one for others.

Allow non party stakeholders entry to party conferences especially when representatives of their country are giving their address/speeches.
