

MOMENTUM FOR CHANGE

Important additional information for the application process

Terms of Application

By submitting this application you are declaring that you have the authority to make the purported application and that your project will meet the below listed requirements and obligations if selected as a Momentum for Change “lighthouse activity”.

Requirements and Obligations:

1. To select one or two individuals who will uphold the role of the focal point and media focal point for the activity, maintaining contact with the UNFCCC secretariat throughout the selection process and in the lead-up and follow-up to the activity’s showcasing at the United Nations Climate Change conferences.
2. To provide high resolution photographs which can be reproduced on the UNFCCC website, in advertisements and other programme media.
3. To provide an invitation and guidance to a potential UNFCCC secretariat assigned videographer.
4. To select two to three representatives to attend the Momentum for Change events at the United Nations Climate Change conference and other Momentum for Change events, for example social media events. These representatives should represent the implementing organization(s) and the community. The representatives should be able to explain relevant facts related to the lighthouse activity, including status of implementation, expected impact to the community and potential next steps for the lighthouse activity. All representatives should be able to speak English or make their own necessary arrangements with respect to translation. The activity’s focal point should adhere to the deadlines set out by the UNFCCC secretariat regarding receiving the names, contact details and other relevant information needed for the representatives’ registration for the United Nations Climate Change conference.
5. The activity will be responsible for the funding and organization of the travel arrangements for the representative(s) from developed countries. The UNFCCC secretariat will be able to support the participation of eligible representatives from developing countries.
6. All representatives will have to arrange their own visa and/or other entry requirements to the host country of the United Nations Climate Change conference.
7. Applications should be submitted in the English language.

By submitting this application you are declaring that all information submitted is true and accurate at the time of submission.
