This notice is posted for information only and does not constitute an invitation to bid or submit a proposal. The UNFCCC reserves the right to change or cancel these requirements at any time in the EOI and/or solicitation process. The UNFCCC Procurement and General Services Unit considers a vendor's qualifications and experience in the particular commodity/service area, and previous performance, when preparing a list of invitees. Thus submitting an EOI does not automatically guarantee a vendor will be considered for receipt of the solicitation when issued.
