<sup>1</sup> The Canadian government wishes to thank Dr. Jutta Brunnée and the *Tulane Environmental Law Journal* for graciously permitting Canada to include substantial portions of the article: "A Fine Balance: Facilitation and Enforcement in the Design of a Compliance Regime for the Kyoto Protocol" in the Canadian submission on procedures and mechanisms relating to compliance, including, in particular, of the compliance process model outlined in the article. Dr. Brunnée's article is an independent academic work and, apart from granting the foregoing permission, Dr. Brunnée has not been involved in the development of Canada's position.
