SUBSIDIARY BODY FOR SCIENTIFIC AND TECHNOLOGICAL ADVICE
Seventeenth session
New Delhi, 23–29 October 2002
Agenda item 4 (c)

METHODOLOGICAL ISSUES

GUIDELINES ON REPORTING AND REVIEW OF GREENHOUSE GAS INVENTORIES FROM PARTIES INCLUDED IN ANNEX I TO THE CONVENTION (IMPLEMENTING DECISIONS 3/CP.5 AND 6/CP.5)

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) took note of the information on national greenhouse gas inventories reported by Annex I Parties, contained in document FCCC/SB/2002/INF.2.
2. The SBSTA, in considering this agenda item in conjunction with agenda item 4 (b) (see FCCC/SBSTA/2002/L.15), took note of the information contained in document FCCC/SBSTA/2002/INF.18 relating to the training of experts, as well as of the views provided by Parties on the treatment of confidential information (FCCC/SBSTA/2002/MISC.16). The SBSTA decided to consider further these matters as they relate to the review of greenhouse gas inventories under the Convention, in conjunction with their consideration under Article 8 of the Kyoto Protocol, at its eighteenth session.
