1. The Subsidiary Body for Implementation (SBI) considered document FCCC/SBI/2006/INF.2 containing a synthesis of the information provided by Parties included in Annex I to the Convention (Annex I Parties) that are also Parties to the Kyoto Protocol in their reports demonstrating progress in accordance with Article 3, paragraph 2, of the Kyoto Protocol, and document FCCC/SBI/2007/INF.4 containing information on the status of submissions of fourth national communications and reports demonstrating progress under the Kyoto Protocol.
2. The SBI noted that only eight Annex I Parties that are also Parties to the Kyoto Protocol met the deadline for the submission of their reports, 28 Parties submitted their reports by 1 May 2007 and one report is still pending.
3. The SBI noted the emission trends of Annex I Parties that are also Parties to the Kyoto Protocol and the other information as contained in document FCCC/SBI/2006/INF.2.
4. The SBI agreed to recommend the following draft decision on this matter for adoption by the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol at its third session (for the text of the decision, see FCCC/SBI/2007/L.17/Add.1).
