Draft conclusions proposed by the Chair

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) considered next steps in facilitating the exchange of information and sharing of experiences on policies and measures of Parties included in Annex I to the Convention (Annex I Parties), taking into account the ongoing related work of other subsidiary bodies.
2. The SBSTA noted that Parties have already addressed some aspects of this matter in the context of other agenda items of the SBSTA and the Subsidiary Body for Implementation. It also noted that this matter is currently under consideration by the Ad Hoc Working Group on Further Commitments for Annex I Parties under the Kyoto Protocol and the Ad Hoc Working Group on Long-term Cooperative Action under the Convention.
3. The SBSTA recognized that duplication of work should be avoided and concluded its consideration of this matter under this agenda item.
