Special announcements

Availability of meeting rooms

The demand for meeting rooms has exceeded the capacity of the conference premises.

In order to accommodate the negotiating process, as well as regional and other groups, we regret that we are no longer in a position to accept bookings by individual delegations. We thank Parties and Observer organizations for their expressed flexibility and for their understanding. Consideration may be given to holding such meetings in the cafeteria, dining room and lounge areas during opening hours.

Updating the website links of Parties on <unfccc.int>

To ensure that the UNFCCC secretariat website <unfccc.int> is updated prior to COP 15 in December 2009, the secretariat wishes to validate its links to the web page(s) or website(s) of Parties to the Convention and to the Kyoto Protocol. Parties are therefore requested to send information on their respective link(s) by e-mail to <webmaster@unfccc.int>. Parties may check all current links by consulting the Parties and Observer section of the secretariat website <unfccc.int> at: <http://unfccc.int/parties_and_observers/parties/items/2352.php>.

A special presentation of these web links is planned at the secretariat's Climate Change Kiosk in Copenhagen. For more information or for clarification, please contact: Mr. Kevin Grose, Coordinator, Information Services at kgrose@unfccc.int, or, locally by phone at +66 (0)81 721 6905.

COP 15 venue to feature "TelePresence" video conferencing service in Copenhagen

Four "TelePresence" suites will be available for use by participants to COP 15 at no cost. Using these TelePresence suites in the conference venue it will be possible to hold high quality video conferences with counterparts in 61 countries. For more information consult the "**Big Results. Small Footprint**" brochure distributed in pigeonholes, visit the Danish Government's visa counter next to the Post Office on the Ground Floor here in Bangkok or consult <unfccc.int> at <http://unfccc.int/meetings/items/4749.php>.

Use of audio/video recording devices by participants at UNFCCC sessions

The making of audio and video recordings, including any external transmission, by Party or observer organization delegations during open and closed official meetings and in designated security zones is not permitted. The secretariat provides audio recordings of official meetings, as required by Parties. Webcasts are provided for open plenary meetings.

Information and visas for Spain and Denmark

Information on, and visas for, participants to attend the Barcelona Climate Change Talks 2009 and COP 15/CMP 5 in Copenhagen will be provided by the Government of Denmark at the COP 15 information counter, located on the Ground Floor, next to the Post Office.

Outside events

EU Green Days

The EU Green Days, held in Bangkok from 1 to 11 October 2009, is a series of events organized by the European Union to promote dialogue and awareness of various aspects of climate change. The seminars, debates, exhibitions, children's workshops and music events are a unique opportunity for exchanges of experience and good practice – and for reminding ourselves of the urgency of global action by December 2009!
