2. The President of the Conference of the Parties (COP) at its fourteenth session will open COP 15. The COP will take up item 1 of the provisional agenda, as well as some procedural matters under item 2, including the election of the President of COP 15, the adoption of the agenda and the organization of work. Statements are not envisaged, except those on behalf of groups. The COP will refer items of its agenda to the subsidiary bodies as appropriate. The opening meeting will then be adjourned.
3. The fifth session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) will then be opened. The CMP will take up item 1 of its provisional agenda, as well as some procedural matters under item 2, including the adoption of the agenda and the organization of work. Statements are not envisaged, except those on behalf of groups. The CMP will refer items of its agenda to the subsidiary bodies as appropriate. The opening meeting will then be adjourned.
4. The following sessions of the subsidiary bodies have been scheduled in conjunction with the fifteenth session of the COP and the fifth session of the CMP:
  - (a) Thirty-first session of the Subsidiary Body for Implementation (SBI);
  - (b) Thirty-first session of the Subsidiary Body for Scientific and Technological Advice (SBSTA);

5. Given that six bodies will be meeting during the sessional period, meeting time will be very limited, especially for contact groups. To maximize the time available for negotiations, the presiding officers, in consultation with the Parties, may propose time-saving measures and approaches to expedite work. Such proposals will be based on these consultations, and on relevant submissions and statements made during plenary meetings, and taking into account any previous negotiations and/or conclusions.
6. Further information regarding the arrangements for the SBI, the SBSTA, the AWG-KP, and the AWG-LCA will be provided in an addendum to this document after consultation with the Bureau.
7. The COP and CMP will convene in plenary meetings during the first week to take up the items on their agendas that are not to be referred to the SBSTA and the SBI.
8. The high-level segment will take place from 16 to 18 December 2009. The joint COP and CMP meetings will be attended by ministers and other heads of delegation, who will deliver national statements. Based on experience at previous sessions, a joint COP and CMP meeting is envisaged for statements from observer organizations. Separate meetings of the COP and the CMP will be held on Friday, 18 December to adopt decisions and conclusions emerging from the current sessions.

---

<sup>1</sup> As the fifteenth session of the Conference of the Parties and the fifth session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) will be held during the same sessional period, this overview addresses both meetings. For ease of reference for Parties and observers, the text of this overview is also contained in the annotations to the provisional agenda for CMP 5 (FCCC/KP/CMP/2009/1). Further details may be made available via the UNFCCC website.

9. In keeping with the conclusions adopted by the SBI at its thirtieth session,<sup>2</sup> all meetings are scheduled to end at 6 p.m., particularly to give Parties and regional groups sufficient time to prepare for daily meetings, but may, in exceptional circumstances, and on a case by case basis, continue for two to three hours.
