

Framework Convention
on Climate Change

No. 7

United Nations Climate Change Conference
COP 15 and CMP 5
Copenhagen, 7-18 December 2009

¹
Daily Programme
Part Two

Special announcement

Beginning on Tuesday, 15 December, to access the Bella Center, the representatives of IGOs and NGOs will require a conference photo badge and a secondary card.

Collection of secondary cards

Only the designated contact points (DCPs) of the admitted observer organizations or, if the DCPs are not attending, the heads of delegation on the nomination letter are authorized to collect the badges.

Location of distribution

The badges will be distributed at the Information Counter.

Time of distribution

14–18 December: 10:00–12:00, 15:00–18:00

Site access cards

In this system, each organization will receive “COP 15 Observer Organization” cards for a set quota of representatives who can enter the premises. These cards are transferable among the representatives within one organization.

Please note that the quota per organization is recorded in the badge scanning system, so that the number of representatives entering the premises can be accurately counted. The moment an organization reaches its quota, no more representatives from the same organization will be allowed in.

The participants must present a card to the security officers at the badge scanning point in order to access the conference site.

Distribution of NGO tickets to the plenary hall

While site access cards are distributed through the designated contact point of each organization, tickets to the plenary halls will be distributed to NGOs through constituencies, due to a limited number of cards for NGOs.

Please contact the respective focal point of your constituency:

¹ Please consult the CCTV monitors and the Information counter for any last-minute changes to this Programme.
FCCC/2009/VI/OD/7 (Part II)

Business and Industry NGOs (BINGOs)

Mr. Carlos Busquets
International Chamber of Commerce
Carlos.busquets@iccwbo.org

Environmental NGOs (ENGOs)

Mr. David Turnbull
Climate Action Network International
dturnbull@climatenetwork.org

Focus on the Global South

Ms. Janet Redman
janet@ips-dc.org
+1 508 3400 464 (strictly sms only)

Farmers*

Ms. Nora Ourabah
International Federation of Agricultural Producers
nora.ourabah@ifap.org
+33 1 45260553

IPO

Mr. Ben Powess
International Alliance of the Indigenous-Tribal Peoples of the Tropical Forests
powless@gmail.com

LGMA

Mr. Yunus Arian
ICLEI - Local Governments for Sustainability
climate.center@iclei.org

RINGO

Ms. Monica Alessi
Centre for European Policy Studies
ringos@ceps.eu; monica.alessi@ext.ceps.eu
+32 472 72 1868

TUNGO

Ms. Anabella Rosemberg
International Trade Union Confederation
rosemberg@tuac.org
+33 1 55373737

Women and Gender*

Ms. Gotelind Alber
genderCC – Women for Climate Justice
g.alber@gendercc.net
+49 151 15240802

YOUNGO*

Mr. Wilson Ang
Sustainable Markets Foundation - 350.org
wilson.ang@eco-singapore.org
+45 5011 0166

* Provisional constituency

The three groups with an asterisk are recognized as constituencies on a provisional basis pending a final decision on their status before COP 17.

Events

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "**...inSide climate change**", available from the Information desk, or visit the UNFCCC [website](#). The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process. For short-term changes please consult the CCTV monitors.

Informal meeting of the CDM DNA Forum

15.00–17.00 in Carl Frederik Tietgen, Hall C1

This event will provide an opportunity for designated national authorities (DNAs) to exchange views and information about their experiences.

Open to Parties only

Contact: Ms. Kay Merce (+45.50.77.34.88), kmerce@unfccc.int

Side events

Time	Organizer	Title/Theme	Venue
09:00–10:30	Institute for Conservation and Sustainable Development of Amazonas (IDESAM), Fundacion Para La Promocion Del Desarrollo Sustentable Futuro Latinoamericano (FFLA) Ms. Mariana Pavan mn.pavan@idesam.org.br +55 92 36425698	Regional and Amazonian initiatives on climate change and REDD: Voice of Latin America Highlights of ongoing initiatives to address forthcoming challenges and opportunities for Latin America involving multi-stakeholder dialogues on a range of critical issues and with a focus on REDD projects and proposals to address the theme of forests and climate change in the Amazon region.	Niels Bohr, (Hall H)
09:00–10:30	Korea Green Foundation (KGF), Korean Federation for Environmental Movement (KFEM), Green Korea United Ms. Hyeran Seo seo.hyeran@gmail.com +82 2 20114345	Building Asia network for responding to climate change This event proposes means of diagnosis and collaboration for climate crisis using the developed climate crisis clock.	Liva Weel, (Hall H)
09:00–10:30	Research Centre for Sustainable Development (RCSD), Chatam House Ms. Ying Zhang zyonlinecn@yahoo.com.cn +86 10 65258551	Carbon budget for equity and sustainability: An overall framework for a global climate solution Carbon budget proposal is developed by China RCSD team to establish a global climate regime. It takes account of the quantitative analysis of both the emission rights and the future emission budget of countries for the relevance of international climate framework design.	Halfdan Rasmussen, (Hall H)

10:30– 12:30	Czech Republic Ms. Eva Adamova eva.adamova@mzp.cz +42 0 267122387	Building capacity for effective public engagement in climate change governance Organized with the support of UNECE and UNITAR and linked to UNFCCC art. 6, Rio Principle 10 and the Aarhus Convention, this event will highlight good practices and key challenges in promoting transparency, raising public awareness and strengthening public engagement in addressing climate change.	EU Pavilion, Room Schuman
11:00– 12:30	Euro-Mediterranean Center for Climate Change (CMCC), Caribbean Community Climate Change Centre (CCCCC) Mr. Antonio Navarra martina.marian@cmcc.it +39 41 2711474	Hotspots: Projections and impacts of climate change in the Mediterranean and Caribbean Areas The Euro-Mediterranean Center for Climate Change and Caribbean Community Climate Change Center present new results on the nature and mechanisms of climate variability, their impacts and economic consequences in the Mediterranean and Caribbean areas	Liva Weel, (Hall H)
11:00– 12:30	CARE International (CI), Development Fund Mr. Poul Erik Lauridsen pelauridsen@care.dk +45 27 528454	Ensuring that international finance for adaptation delivers effective programmes to vulnerable people The Development Fund Norway, Practical Action and CARE International will share experiences on how to identify and target communities most vulnerable to climate change and identify how experiences from community-based adaptation could be scaled up to national programmes.	Halfdan Rasmussen, (Hall H)
11:00– 12:30	World Council of Churches (WCC), Caritas Internationalis (CI) Mr. Elias Abramides eliasabramides@gmail.com +54 11 47950741	Renew the face of earth: Faith-based approaches to climate justice. This event will bring ethical principles and the voices of faith to the climate change negotiations. The session will examine various faith-based perspectives on policies and action promoting climate justice.	Victor Borge, (Hall H)
11:00– 12:30	Amazon Environmental Research Institute (IPAM), The Woods Hole Research Center (WHRC) Ms. Flavia Gabriela Franca flaviagabriela@ipam.org.br +45 284 74262	Implementing REDD, making REDD work on the ground IPAM and WHRC present initiatives for fostering REDD readiness in Brazil and globally, including political and stakeholder planning and preparedness, sub-national targets within national plans, information sharing, Indigenous engagement and progress toward pan-tropical forest cover and biomass maps.	Niels Bohr, (Hall H)
13:00– 14:30	International Chamber of Commerce (ICC) Mr. Carlos Busquets Carlos.busquets@iccwbo.org +33 1 4953297	Technology The event will explore the role of business in the development, deployment and transfer of low-carbon technologies. It will examine the role of enabling frameworks and intellectual property rights in enhancing technology cooperation.	Liva Weel, (Hall H)

13:00– 14:30	Poland Mr. Jacek Mizak jacek.mizak@mos.gov.pl +48 22 5792323	Implementation of Poland's climate policy in the context of new global agreement The event is intended to present the Polish climate change domestic policies and will focus on the ways of achieving emission reduction target, participation of public and private sectors in reduction measures and the implementation of the green investment scheme concept and other innovative mechanisms as an effective tool for further domestic GHG reductions.	Victor Borge, (Hall H)
13:00– 14:30	Denmark, Norway Mr. Casper Stenger Jensen casjen@um.dk +45 3 3920455	Greenland ice sheet – Melting snow and ice: Calls for action An event with the participation of the Danish Foreign Minister Mr. Per Stig Moeller, Norwegian Foreign Minister Mr. Jonas Stoere, former US Vice-President Mr. Al Gore and Greenland Premier Mr. Kuupik Kleist.	Niels Bohr, (Hall H)
13:00– 14:30	United Nations Mr. Georgios Kostakos kostakos@un.org +1 646 6421055	Advancing work on adaptation to climate change: A United Nations system perspective The UN system is committed to assisting countries in adapting to the impacts of climate change, while tackling poverty and achieving growth. The event will showcase good practices and resources developed by the system in key adaptation areas.	Halfdan Rasmussen, (Hall H)
14:45– 16:15	European Investment Bank (EIB) Mr. Andrea Pinna a.pinna@eib.org +352 621 362459	EIB: Responding to the challenges of climate change Using concrete projects in the European Union and elsewhere, this event will present EIB work on climate change and the different financing tools applied.	Victor Borge, (Hall H)
14:45– 16:15	GenderCC – Women for Climate Justice (GenderCC), Life e.V. Ms. Gotelind Alber g.alber@gendercc.net +49 30 21982175	Lessons learned from gendered development cooperation's conclusions for gender and climate policy Development experts will draw conclusions from their organisations' experience and good practice of addressing gender issues. Their recommendations will be discussed in order to provide input for the negotiations, and for adaptation and mitigation actions at national and local levels.	Halfdan Rasmussen, (Hall H)
14:45– 16:15	International Federation of Red Cross and Red Crescent Societies (IFRC) Ms. Jette Michelsen jette.michelsen@ifrc.org +41 22 7304650	Early adaptation actions IFRC together with IASC and ISDR system organisations will share experiences on how to bridge the gap between climate science early warnings and practical early actions in disaster risk reduction and management approach.	Liva Weel, (Hall H)

14:45– 16:15	International Federation of Agricultural Producers (IFAP) Ms. Nora Ourabah nora.ourabah@ifap.org +33 1 45260553	Beyond Copenhagen: Agriculture and forestry are part of the solution A consortium of the major international organisations and donors will present strategies and actions towards an agricultural adaptation and mitigation workplan, based on stakeholders' recommendations and previous meetings.	Niels Bohr, (Hall H)
16:30– 18:00	Regional Environmental Center for Central and Eastern Europe (REC), Latvia Ms. Zsuzsanna Ivanyi zivanyi@rec.org +36 20 5532639	Options for flexibility under quantified GHG reduction target in post-2012 JI Action Group (JIAG), Government of Latvia and Regional Environmental Center for CEE present the options of flexible mechanisms for countries with emission reduction targets: GIS, JI, emissions trading, domestic offsets. GIS country profile of Latvia and transition from CDM to JI will be considered.	Liva Weel, (Hall H)
16:30– 18:00	International Network for Sustainable Energy (INFORSE), Women in Europe for a Common Future (WECF) Mr. Gunnar Olesen Boye ove@inforse.org +45 86 227000	200 NGOs in action in Asia and Africa for sustainable energy, proposing simplified CDM Development successes with sustainable energy by NGOs from Nepal, India, Senegal, Uganda, South Africa and from Eastern Europe, Caucasus and Central Asia (EECCA) region – proposal for a simplified CDM for smaller scale projects that can help NGOs achieve more.	Niels Bohr, (Hall H)
16:30– 18:00	Organisation internationale de la francophonie (OIF) Mr. Louis-Noel Jail ln.jail@iepf.org +1 418 6925727	De Kyoto a Copenhagen : Quel bilan et quelles perspectives pour la cooperation francophone? Bilan de 12 annees d'activites pour la preparation aux negociations des pays francophones et leur concertation et aussi pour la mise en oeuvre de projets MDP et d'adaptation dans l'espace francophone. Quelles actions mener dans notre espace de solidarite apres 2012? Temoignages et debat.	Halfdan Rasmussen, (Hall H)
16:30– 18:00	Morocco Mr. Nbou Mohamed nbou@environnement.gov.ma +212 6 61347982	National climate plan The Morocco Climate Plan consists of developing a climate change strategy describing the positioning of Morocco in this regard and serves as guidance to the policies being applied. This project is divided into three parts: mitigation, adaptation and governance measures.	Victor Borge, (Hall H)
18:15– 19:45	Turkey Mr. Mustafa Sahin m_sahin4@yahoo.com +90 312 2076519	National climate change strategy of Turkey Turkey is continuing to contribute to global action for mitigation of the negative effects of climate change. Turkey's main policies and measures focus on energy, transport, industry, waste, land use change and forestry.	Victor Borge, (Hall H)
18:15– 19:45	United Nations Human Settlements Programme (UN-HABITAT), United Nations Economic Commission for Europe (UNECE) Ms. Karin Buhren	Cities, population dynamics and climate change The event highlights the UN approach to support low-carbon and sustainable urban development as well as the importance of population dynamics to planning for climate change adaptation and mitigation.	Liva Weel, (Hall H)

	karin.buhren@unhabitat.org +254 20 7623191		
18:15– 19:45	World Business Council for Sustainable Development (WBCSD), Pew Center on Global Climate Change Mr. Varun Vats vats@wbcsd.org +41 22 8393158	Building on Copenhagen A high-level panel of government and business leaders convened by the Pew Center and the WBCSD will discuss options to build on the Copenhagen outcome toward a full and final post-2012 agreement. Invited speakers include ministers, members of the U.S. Congress and CEOs.	Niels Bohr, (Hall H)
18:15– 19:45	BUSINESSEUROPE Mr. Folker Franz f.franz@businessseurope.eu +32 2 2376547	A successful international climate agreement – contributions and expectations from European business European business contributions to climate challenge and expectations from COP 15; focus on technology, market instruments and cities. Speakers: Mr. S. Dimas, Environment Commissioner; Ms. M. Olofsson, Swedish Vice Prime Minister; Mr. L. Johansson, CEO Volvo; Mr. P. de Buck, BUSINESSEUROPE; Ms. U. Hamilton, Vice Mayor Stockholm.	Saxo Grammaticus, (Hall H)
18:15– 19:45	Netherlands Ms. Babette Graber babette.graber@minvrom.nl +31 70 3392405	Readiness and early action This event presents a pilot study on road-testing and methodology development for low carbon strategies (ECN) and a study on estimated costs (UNEP/project catalyst).	Dan Turell, (Hall H)
18:15– 19:45	United Nations Mr. Muriel Obon muriel.obon@undg.org +1 212 9065167	United Nations country level support This event is organized by the undg Task Team on Environmental Sustainability and Climate Change (TT-ES-CC) and aims to provide information on United Nations development system's operational activities at the country level related to climate change.	Halfdan Rasmussen, (Hall H)
20:00– 21:30	Association of Southeast Asian Nations (ASEAN), Global Environment Center (GEC) Ms. Riena Prasiddha riena@asean.org +62 21 7243372	Addressing climate change through rehabilitation and sustainable use of peatland forests in ASEAN The event will showcase the ASEAN Peatland Management Strategy 2006-2020 implemented by countries and actions to rehabilitate peatlands to address climate change and land degradation supported by IFAD-GEF.	Halfdan Rasmussen, (Hall H)
20:00– 21:30	Viet Nam Ms. Le Anh Ngoc langoc@monre.gov.vn +84 4 38358424	Response to climate change in Viet Nam This event focuses on the forerunner climate change policies, strategies and actions by Viet Nam, including adaptation and mitigation measures with firm scientific background and pressing community needs.	Liva Weel, (Hall H)
20:00– 21:30	Federal States of Micronesia Ms. Alex Viets aviets@igsd.org +1 202 3381300	Reducing the threat of abrupt climate change by phasing down HFCs under the Montreal Protocol The ozone treaty has the capacity and expertise to successfully phase down production and consumption of HFCs quickly and cost-effectively to avoid a climate crisis.	Victor Borge, (Hall H)

20:00– 21:30	Burkina Faso Mr. Bobodo Blaise Sawadogo bbobodo@yahoo.fr +226 50 313166	Defis des changements climatiques au Burkina Faso Impacts des changements climatique et mesures d'adaptation au Burkina Faso.	Dan Turell, (Hall H)
20:00– 21:30	Association des constructeurs européens d'automobiles (ACEA) Mr. Michael Klinkenberg mk@acea.be +32 2 7387323	Driving sustainability – the automobile industry and CO₂; the road ahead The world's auto makers (associated in ACEA, US Alliance and JAMA) jointly put the spotlight on compelling results from field projects that combine technology excellence with collective action from their industry, the energy sector, governments, drivers and transport operators.	Saxo Grammaticus, (Hall H)
21:45– 23:15	India Mr. Rajani Ranjan Rashmi rr.rashmi@nic.in +91 11 24362281	India	Victor Borge, (Hall H)

Interviews at the "...inSide climate change" Solutions Studio

The "...inSide climate change" Solutions Studio" is located in the Central Hall (entrance to Media Centre)

13:00– 13:20	Munich Climate Insurance Initiative (MCII) Ms. Koko Warner warner@ehs.unu.edu +49 228 8150226	Climate change-related losses, role of insurance in adaptation Prof. Peter Hoeppe, Head of GeoRisks Department and Climate Change Center of Excellence, Munich Reinsurance Company, will discuss whether insurance pools provide a realistic solution for developing countries to adapt to climate change.
13:20– 13:40	Australian Koala Foundation (AKF) Mr. Douglas Kerlin douglas@savethekoala.com +61 7 32297233	Carbon and koalas collide: The science of trees, mapping and the carbon economy Ms. Deborah Tabart OAM, Chief Executive Officer of the Australian Koala Foundation, will discuss the staggering consequences of the removal of existing native forest and demonstrate the impossible task of replacing this carbon.
13:40– 14:00	Nature and Biodiversity Conservation Union (NABU) Mr. Sisay Nune carsten.wachholz@nabu.de +49 172 4179727	Natural resources management in a changing climate - practical experiences from Ethiopia Climate change policies and project examples in Ethiopia serve as important guidelines how ecosystem based mitigation and adaptation measures need to be implemented into development co-operation and poverty reduction.
14:00– 14:20	International Hydropower Association (IHA) Mr. Lau Saili ls@hydropower.org +44 20 86525299	Scaling-up for a renewable future: Reforming existing mechanisms and shaping new approaches post-2012 The International Renewable Energy Alliance (REN Alliance) recommendations on the proposed reforms to the Clean Development Mechanism (CDM) and the proposed new approaches of the post-2012 framework to accelerate the transition to a low-carbon, renewable, and sustainable future.
14:40– 15:00	International Solar Energy Society (ISES) Ms. Christine Hornstein hornstein@ises.org +49 761 4590645	...inSide Climate Change Solutions Scaling-up for a renewable future: Reforming existing mechanisms and shaping new approaches post-2012.

15:00– 15:20	Ateneo de Manila University (ADMU) Ms. Joanne Dulce joanne1d1@gmail.com +63 2 9297035	Social accountability: Connecting citizens and government towards effective climate change response Dr. La Vina, Ateneo de Manila University.
15:20– 15:40	Solomon Islands Mr. Keyvan Izadi siccpdirector@gmail.com +677 0 30365	Tetepare Island community conservation project Hear about how one small island in the south pacific is delivering benefits in exchange for conservation through REDD.
15:40– 16:00	World Wind Energy Association (WWEA) Mr. Stefan Gsaenger sg@wwindea.org +49 228 3694080	Financing renewables from carbon funds: Reform of existing mechanisms and creation of new approaches In order to raise the funds for an accelerated renewable energy deployment under the UNFCCC, especially with regard to developing countries, it is necessary to reform the existing mechanisms such as CDM and to create new tools. The current situation will be analysed and concrete proposals presented.
16:40– 17:00	Institute for Agriculture and Trade Policy (IATP) Mr. Ben Lilliston blilliston@iatp.org +1 612 8703425	Getting agriculture right in a climate deal Mr. Jim Harkness, President of the Institute for Agriculture and Trade Policy, will discuss the essential role of agriculture within the climate negotiations
17:00– 17:20	Federation of Indian Chambers of Commerce and Industry (FICCI) Mr. Sanjay Mande sanjaymande@gmail.com +91 987 3708559	GHG mitigation by promoting renewable energy technologies in rural areas using CDM Programme of Activities (POA) Dr. Sanjay Mande, Manager pf DTTIPL, FICCI, will discuss the lack of access to clean and modern energy in Indian rural population despite government initiatives in promoting cleaner renewable technologies. He will explore CDM/POA potential to promote renewables for GHG mitigation while achieving desired energy transformation and development in rural areas.
17:20– 17:40	United Nations Volunteers (UNV) Ms. Amina Said amina.said@unvolunteers.org +49 228 8152219	Volunteering for our planet UNV Executive Coordinator Ms. Flavia Pansieri will talk about a campaign to engage volunteers in taking care of our planet.
17:40– 18:00	Stanford University Ms. Adina Abeles abeles@stanford.edu +1 831 4025132	West Antarctic ice sheets melting faster than expected Dr. Robert Dunbar, Professor, Earth Science, Stanford University, discusses new projects on sea level rise.

Climate Change Kiosk – iSeeT@COP 15

The Climate Change Kiosk – iSeeT@COP 15 is located in the Central Hall (Atrium)

The iSeeT@COP 15 exhibit provides an opportunity to see and hear how Parties and observer and media organizations, including the private sector, are using information and communications technology to address climate change challenges.

11:00–11:45	ICT and climate change - building knowledge society at grassroots in Bangladesh Mr. Reza Salim, Project Director, Bangladesh Friendship Education Society
12:00–12:45	SEI and CSAG climate change/adaptation visualization tools Stockholm Environment Institute (SEI) and University of Cape Town (UCT) Professor Bruce Hewitson, UCT, and Dr. Sukaina Bharwani, SEI
13:00–14:00	ITU business talks: ICTs, climate change and health <i>Live from Düsseldorf</i> : Mr. Luis Neves, Chairman, Global e-Sustainability Initiative (GeSI) <i>Live from Boston</i> : Dr. John Halamka, CEO of Harvard Medical School and Caregroup <i>COP 15, Copenhagen</i> : Mr. David Hsieh, Cisco VP for emerging technologies and executive sponsor of Cisco TelePresence sponsorship at COP 15 <i>Moderator</i> : Mr. Alexander Vassiliev, Counsellor, ITU
14:00–14:45	Radio and climate change. ITU radiocommunication sector Mr. Alexander Vassiliev, counsellor, ITU
15:00–15:45	Protecting health from climate change: The global response Dr. Roberto Bertollini, Coordinator, Department of Public Health & Environment, World Health Organization (WHO)
16:00–16:45	Danish Government web-based outreach activities. Google with Government of Denmark. Mr. Steve Grove, Head of YouTube news and politics Mr. Phillip Schindler, Vice-President for Northern and Central Europe, Google
18:00–18:45	Sustainability management: Enabling green innovation Mr. Mikael Hagstrom, Executive VP for EMEA and AP, SAS with TechAmerica Europe
19:00–19:45	Climate-L.ORG website Mr. Langston James "Kimo" Goree VI, Director, IISD Reporting Services, International Institute for Sustainable Development (IISD)
Demonstrations:	
Screen 1	Data management for sustainability management: Enabling green innovation. SAS institute with TechAmerica Europe.
Screen 2	Embracing the obligation of environmental stewardship through the pursuit of technology that is building a safer and more secure world. Honeywell with TechAmerica Europe
Screen 3	Latest news from the CDM Pipeline. UNEP Risoe Centre
Screen 4	ITC and REDD: What's new? Good Planet
Screen 5	The use of seasonal forecasts in humanitarian work. International Federation of Red Cross and Red Crescent Societies (IFRC) with the International Research Institute for Climate and Society
Screen 6	Science – driving our response to climate change: PRECIS regional modeling tool. Met Office Hadley Center
Screen 7	Nature rights: A useful social network. Nature Rights Foundation
Screen 8	The adaptation learning mechanism as a global knowledge management platform on good climate change adaptation practices. UNDP

U.S. Center science presentations featuring Science on a Sphere ®

The U.S. Center is located in Hall C

09:00– 10:00	Designing climate resilience into development projects: tools and methods for adaptation U.S. Agency for International Development (USAID): This event will present the USAID adaptation approach, including several case studies, and demonstrate the use of the Climate Mapper and other SERVIR tools.	U.S. Center Meeting room
10:15– 11:15	Climate services: Providing the information that people need for a changing world National Oceanic and Atmospheric Administration (NOAA): The science is clear, climate change is real and it's happening now, in our backyards and around the globe. As a result, user demands for climate information are increasing rapidly.	U.S. Center Meeting room
11:30– 12:30	Adapting to a world without glaciers: Lessons from Peru U.S. Agency for International Development (USAID): USAID, the National Science Foundation and the Ministry of Environment of Peru have organized a seminar on climate change, glacier melt and the impacts on socio-economic sectors that rely on glaciers for water supply.	U.S. Center Meeting room
12:45– 14:00	Leading in energy efficiency and renewables U.S. Department of Energy (DOE): Secretary of Energy Mr. Steven Chu will share how, from production, to transmission, to efficiency, President Obama's administration is paving the way for a new American energy future while taking the steps now to prevent the worst consequences of climate change	U.S. Center Meeting room
14:15– 15:15	Clean energy RD and D through technology action plans U.S. Department of Energy (DOE): Ms. Kristina Johnson, U.S. Department of Energy Under Secretary for Energy, will present an overview of U.S. technology research development and deployment (RD and D) strategy.	U.S. Center Meeting room
13:00– 14:30	Clim'City: An interactive informal educational network National Oceanic and Atmospheric Administration (NOAA): The Association of Science-Technology Centers and NOAA are bringing together students at ten science centers (including La Cité des Sciences in Paris and the Museum of Science in Boston) to learn about climate change.	U.S. Center Reception room
15:30– 16:30	Impacts of climate change on U.S. coastal communities U.S. Department of Interior, U.S. Environmental Protection Agency (EPA): Accelerated sea-level rise is one of the most certain and most costly consequences of coastal climate change. Increased community vulnerability in response to sea-level rise, particularly in low-lying coastal areas like estuaries, is of growing concern.	U.S. Center Meeting room
16:45– 17:45	Climate services for adaptation: Knowledge transfer and South-South collaboration International Research Institute for Climate and Society – Columbia University (IRI): The IRI assists societies better manage climate risks by helping them to take advantage of innovations in science.	U.S. Center Meeting room
18:00– 19:00	Workshop on tools for improved national emissions Inventories: Applications in Southeast Asia U.S. Environmental Protection Agency (EPA), U.S. Agency for International Development (USAID), and UN Framework Convention on Climate Change (UNFCCC): An international panel of experts will provide an overview and highlight tools from the project to support regional capacity building for sustainable and robust national inventory management systems in Southeast Asia.	U.S. Center Meeting room

European Union Pavilion

The EU Pavilion is located in Hall C

08:45– 10:15	European Union (DG ENV) Mr. Hannes Descamps hannes.descamps@ ec.europa.eu	Spill-over effects of climate change mitigation policies	Room Schuman
10:30– 12:30	European Union (DG DEV) Mr. Marco Morettini marco.morettini@ ec.europa.eu	The EU global climate change alliance: Adaption EC and representatives from the group of target countries under the Global Climate Change Alliance, will share ideas on how best to support the challenge of adaptation in developing countries. Building on the work initiated within the GCCA reflecting also on the outcome of its political dialogue.	Room Monnet
10:30– 12:30	Czech Republic Ms. Eva Adamova eva.adamova@mzp.cz	Public engagement in climate change governance Organized with the support of UN Economic Commission for Europe and UN Institute for Training and Research, this event will highlight good practices and key challenges in promoting transparency, raising public awareness and strengthening public engagement in addressing climate change.	Room Schuman
13:00– 15:00	Sweden Mr. Martin Persson martin.persson@ chalmers.se + 46 31 772 3453	Climate policy and land scarcity – finding effective responses This event will discuss responses to the challenges caused by income induced diet changes, increased demand for biofuels and climatic changes resulting in food price increases and consequent deforestation: Pricing the carbon emissions from deforestation (i.e., REDD).	Room Monnet
13:00– 15:00	European Union (DG ENV) Ms. Helen McCarthy helen.mccarthy@ ec.europa.eu	The adaptation white paper – a framework for action The event will present the European Commission's <i>Adaptation White Paper</i> focusing on the action necessary to build Europe's resilience to face the challenges of climate change.	Room Schuman
15:30– 17:30	European Union (DG RTD) Mr. Lars Mueller lars.mueller@ ec.europa.eu +32 229 90565	European research - contributing to the global knowledge on climate change This event will illustrate how European research is contributing to the knowledge on climate change by working with international partners from developing countries and helping them in implementing adaptation measures and adaptation options in the context of the Nairobi Work Programme.	Room Monnet

15:30– 17:30	Germany Ms. Anna-Pia Schreyoegg anna-pia.schreyoegg@uba.de +49 340 2103 2127	Using the carbon market post-2012 to incentivize ambitious NAMAs The event will present studies on new, sector-specific carbon market mechanisms and on a reformed Clean Development Mechanisms "beyond offsetting" as part of a post-2012 climate regime. It will also provide a forum to report on good practice in monitoring, reporting and verification of GHG mitigation effects of development projects.	Room Schuman
18:00– 20:00	Ireland Ms. Maria Martin m.martin@epa.ie +353 1 2680165	Towards a global carbon market ICAP's current and future activities contributing to the establishment of a well-functioning global carbon market and the development of well-designed and compatible domestic ETS. A panel of international experts will discuss prospects for linking existing and emerging ETS worldwide.	Room Monnet
18:00– 20:00	France Ms. Marie Jaudet marie.jaudet@developpement-durable.gouv.fr	Environmental security in Sahel A study underway will provide a regional analysis of the Sahel zone from Africa to the east. It will discuss the effects of climate change, on security and development. The event will present the interim results of the study by collecting the ideas and opinions that could contribute.	Room Schuman

Delegation of Brazil

10:00– 11:00	Brazilian Delegation (CNA) Mr. Rodrigo Justus de Brito rodrigo.brito@cna.org.br +55 61 21091455	Brazilian agribusiness contribution to climate change	Brazilian Delegation Area, Hall C7
13:00– 14:30	Brazilian Delegation (CEBDS) Mrs. Marina Grossi marina@cebds.org +55 21 81620191	Perspectives for Brazilian companies in the carbon credit market and CDM projects	Brazilian Delegation Area, Hall C7
14:30– 16:00	Brazilian Delegation (Brazilian Climate Alliance) Mr Luiz Amaral luiz@unica.com.br +32 487334611	Brazilian Climate Alliance: Agriculture – planted forests – bioenergy Private sector proposals for an ambitious global agreement to reduce GHG emissions and concrete solutions currently available in tropical countries to mitigate climate change. With the participation of the Brazilian Minister of the Environment, Mr. Carlos Minc, and the Governor of the State of São Paulo, Mr. José Serra.	Brazilian Delegation Area, Hall C7

Delegation of China

15:00– 16:00	China delegation Dan Shen shen_dan@mfa.gov.cn +45 50621049, +4536196152	Strengthening the efforts for environmental protection in response to climate change Presentation by Mr. Li Ganjie, Vice Minister of the Ministry of Environmental Protection of the People's Republic of China.	China Information and Communication Center, Hall C7
-----------------	---	--	---

Holland Climate House

The Holland Climate House is located in Hall C7

Organized by: Ministry of Housing, Spatial Planning and the Environment (VROM), Dutch Regional Water Authorities, Eneco, Rotterdam Climate Initiative (RCI), Wageningen University and Research (WUR), Provinces of Zuid-Holland and Drenthe	
10:00–12:00	Local initiatives for GHG reductions: Examples from the Netherlands Pitch presentations of local and regional innovative initiatives, followed by a lively panel discussion with politicians and water managers.
12:00	Lunch and short film: Amsterdam green businesses and their message for Copenhagen
13:00–15:00	From waste water treatment to energy plant Dutch water authorities present their initiatives to turn waste water plants into energy plants. Followed by a discussion on the possibilities to create climate neutral waste water plants in 2020.
15:00–17:00	Tomorrow's energy company: Sustainable, decentralized, together What is energy company Eneco's response to global climate change and the need for sustainable energy?
17:00	Reception
17:00–19:30	Rotterdam Climate Initiative and the role of public private cooperation in achieving climate targets Improving climate for the benefit of people, the environment, and the economy: The Rotterdam Climate Initiative will present the Rotterdam approach and discuss the role of regions and cities as key actors in the implementation of climate measures.
20:00–21:30	Book presentation <i>The Bio-based economy: Biofuels, Materials and Chemicals in the Post-oil Era</i> Presentations by Mr. Hans Langeveld and Professor Johan Sanders followed by a brief reflection on the role of bio-based economy.
21:30–22:30	<i>Himalaya Alert!</i> A film by Mr. Mark Verkerk (<i>Buddhas lost children</i>) and Ms. Bernice Nootenboom During the last three years, journalist Ms. Bernice Notenboom has reported from the North Pole, the South Pole and Greenland about climate change. This year she focused on the Himalaya. <i>Himalaya Alert!</i> A film about a vast, changing landscape.

Other observer organizations' events

08:00–18:00	ANCC/APNCC/CWA ACAN AWEPA International ACCID/FANRPAN Mr. Raphael Hanmbock , Regional Coordinator ANCC/APNCC/ CWA +45 51 85 26 57	African climate, agriculture and development days at COP 15, Copenhagen	Crowne Plaza Hotel Copenhagen Towers (next to the Bella Center)
09:00–10:00	International Institute for Sustainable Development (IISD)	IISD's mini-symposium – trade and investment: Fostering or frustrating climate goals? Liberalization of trade in low-carbon goods: The promises and the pitfalls	Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)
10:00–11:30	Voluntary Carbon Standard (VCS)	REDD and the Voluntary Market This session will present key developments regarding REDD projects under the VCS.	Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)

10:00– 11:00	International Institute for Sustainable Development (IISD)	IISD’s mini-symposium – trade and investment: Fostering or frustrating climate goals? Border carbon adjustment: Trade measures in pursuit of climate objectives	Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)
10:00– 12:30	ICLEI - Local Governments for Sustainability climate-lounge@iclei.org +45 52 75 27 48	Climate action in Mato Grosso and REDD - REDD Mato Grosso: business opportunities for forest conservation Organized by the Mato Grosso State Government	Local Government Climate Lounge – ICLEI Office, Hall C6
10:30– 11:30	UNICEF Mr. Frederik Felding +45 2068 6506 frederikfelding@gmail.com	Unite for Climate: Community presentation UNICEF and youth have created an online community platform for youth climate organizers all over the world. Unite For Climate team will share the vision behind the platform and the tools available for online and on-the-ground organizing.	UNFCCC Youth Booth in the Youth Arcade (H-004-C)
11:00– 12:00	International Institute for Sustainable Development (IISD)	IISD’s mini-symposium – trade and investment: Fostering or frustrating climate goals? Investment, technology transfer and climate change	Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)
11:00– 13:00	Climate Consortium Denmark Ms. Gry Brostrøm contact@energytours.dk Tel +45 5122 9486	Boat tour to Middelgrunden offshore wind farm An opportunity to meet with representatives from the Danish Wind Industry Association and DONG Energy during the boat tour. Participating in an EnergyTour is free of charge and allocation happens on a first-come-first-served basis. You may pre-register at contact@energytours.dk.	Tours depart from Bella Center main entrance (East Entrance). Last appearance 10 min. before departure.
11:30– 12:30	ICLEI Reade Smith Mr. Tim Rodgers +61409957096 reade.smith@mornpen.vic.gov.au	The “communities that care climate banners project” and “climate conversations initiative” Two Australian projects designed by the Mornington Peninsula Shire Council to assist urban and rural communities to engage with Local Government, raising awareness and developing local strategies for adapting to and mitigating against climate change impacts.	UNFCCC Youth Booth in the Youth Arcade (H-004-C)
11:30– 13:00	Climate Action Reserve (CAR)	Making it real: Ensuring offset quality This workshop will focus on the key components of offset quality both in principle and in practice using examples from the Climate Action Reserve. Issues covered will include the use of standardized performance-based protocols and mechanisms for addressing permanence in biological sequestration projects.	Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)
12:00– 13:00	International Institute for Sustainable Development (IISD)	IISD’s mini-symposium – trade and investment: Fostering or frustrating climate goals? Intellectual property rights and climate change	Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)

12:30– 13:00	ICLEI - Local Governments for Sustainability climate-lounge@iclei.org +45 52 75 27 48	Local Government Climate Lounge Time for questions with Mr. Marcelo Ebrard, Mayor of Mexico City and Mr. Robert Doyle, Lord Mayor of Melbourne	Local Government Climate Lounge – ICLEI Office, Hall C6, Bella Center
13:00– 14:30	International Institute for Sustainable Development (IISD)	Stand-up buffet available for participants in IISD's mini-symposium – trade and investment: fostering or frustrating climate goals?	Mount Everest Foyer – in the Crowne Plaza Hotel (next to the Bella Center)
14:00– 15:00	Bangladesh Centre for Advanced Studies (BCAS) Mr. Mohon Kumar Mondal Ledars_bd@yahoo.com +45 528 92970	Documentary film show A documentary film on climate change problems and people suffering in the southwest coastal region of Bangladesh.	NGO Climate Rescue Center
14:45– 16:15	International Federation of Red Cross and Red Crescent Societies (IFRC)	Humanitarian day – Early adaptation actions IFRC together with IASC and ISDR system organisations will share experiences on how to bridge the gap between climate science early warnings and practical early actions in disaster risk reduction and management approach.	Liva Weel, (Hall H)
14:30– 16:30	African Development Bank (AfDB) Mr. Al Hamndou Dorsouma a.dorsouma@afdb.org	Building climate resilience in Africa's development: The role of the African Development Bank AFDB presents the climate risk management and adaptation strategy and clean energy framework. The strategy calls for pipeline screening, focus on clean technology and capacity building. Recent best practices in assisting Africa to address climatic impacts will be presented.	Marriott Hotel, 5 Kalvebod Bryge Copenhagen
15:00– 16:00	350.org - Sustainable Markets Foundation Mr. Darran Martin darran@ukycc.org +45 52656932	Faith and climate change from a youth perspective Faith RegEn and the UKYCC discuss how integral faith and youth are to disseminate the message of climate change and they will talk about successes and challenges in engaging faith communities.	UNFCCC Youth Booth in the Youth Arcade (H-004-C)
15:00– 16:30	Climate Action Reserve Ms. Jennifer Weiss jennifer@climateactionreserve.org +1 312 714 0713	Sub-national leaders present models for international forestry agreements Governor Schwarzenegger's <i>Climate Summit Forestry Accord</i> signatories present views on implementation, regional leadership and the role of rigorous protocols in creating economic opportunities and environmental benefits.	Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)
15:00– 17:00	International Institute for Sustainable Development (IISD)	Fossil fuel subsidies and climate change: Opportunities and challenges This session will focus on how the political commitment to phase out fossil-fuel subsidies can be translated into effective reform.	Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)

15:00– 18:00	Climate Consortium Denmark Ms. Gry Brostrøm contact@energytours.dk Tel +45 5122 9486	Green architecture Visit to EnergyFlexHouse and GreenLightHouse – two buildings working with technology and new thinking in areas of intelligent building design and control. Participating in an EnergyTour is free of charge, and allocation happens on a first-come-first-served basis. You may pre-register at contact@energytours.dk.	Tours depart from Bella Center main entrance (East Entrance). Last appearance 10 min. before departure.
16:00– 17:00	350.org - Sustainable Markets Foundation Ms. Suzanne Maas suuz_diluna@hotmail.com +45 52694167	Documentary: <i>A changing climate in Rio San Juan, Nicaragua</i> The documentary by Fundacion del Rio discusses environmental impacts, causes and possible solutions, mainly focussing on deforestation and the impact of plantations. Spanish language with English subtitles.	UNFCCC Youth Booth in the Youth Arcade (H-004-C)
16:30– 18:00	Climate Action Reserve Ms. Jennifer Weiss jennifer@climateactionreserve.org +1 312 714 0713	Sequestration opportunities in temperate forests Panel discussion on the importance of temperate forests for global climate change mitigation and policy frameworks developed under U.S. voluntary and regulatory programmes. Ms. Janice Adair, State of Washington, Department of Ecology Mr. David Littell, Commissioner, Maine Department of Environmental Protection Mr. Louis Blumberg, California Forest and Climate Policy Program, The Nature Conservancy	Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)
18:00– 19:30	International Emissions Trading Association (IETA) and Environmental Defense Fund	Environmental Defense Fund: Beyond Copenhagen - environmental integrity in today's carbon markets Government, business and NGO leaders join farmers and forest peoples to review market design elements that ensure environmental incentives and the transformative potential of carbon trading.	Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)
18:00– 20:00	Blue Green Alliance, International Trade Union Confederation	Blue Green Alliance: Building consensus through Blue-Green Partnerships Join the Blue Green Alliance for a discussion, followed by a reception, to discuss the partnership of U.S. labor unions and environmental forged around creating green jobs that revitalize the economy and protect the environment for future generations.	World of Work (WoW) Pavilion LO Denmark Building Islands Brygge 32, Copenhagen
19:30	CARE International Ms. Liv Helstrup Østergaardloestergaard@care.dk +4561666819	Film screening of <i>Climate Refugees: The human face of climate change</i> Reception and film screening of the Sundance Film Festival-nominated documentary by Mr. Michael P. Nash. This film illuminates the human face of climate change, mass global climatic migration of environmentally induced migrants and the international security risk climate change is creating along borders.	Dagmar Theater, Jernbanegade 2. Copenhagen

Other activities

08:30–09:30

Cli-Matrix

The protagonists of the thriller “The Matrix” are going to visit the conference center. They will remind everybody of what is at stake and they will prove that through real leadership, a real deal is not only possible, but within reach.

Organizer: AVAAZ.org. Location: Between Hall H and Hall B, near the Information desk.

09:00

Climate detectives investigates climate crimes

The stunt will symbolize that climate change hurts the most in the global south and the north is responsible for climate change.

Organizer: Christian Aid. Location: In the halls of the Bella Center.

14:30–16:00

Meet the experts

30 minutes, three experts and one hot topic!

Join us for a meeting on climate adaptation, economics, information and energy scenarios. With Mr. Frank Ackerman (SEI). A joint Stockholm Environment Institute, University of Cape Town, START event. Location: SEI booth H-036B.

15:00–15:30

Children hand over “green footprints” to UNFCCC Executive Secretary Mr. Yvo de Boer

Climate Alliance’s “ZOOM – Kids on the Move” campaign shows that the little ones can take steps to help protect the climate, too. 180,000 children from 13 countries have collected green footprints by using sustainable transport for their daily journeys. The results will be presented to the UNFCCC by 15 children.

Organizer: Climate Alliance/Klima-Bündnis, Mr. André Muno, a.muno@climatealliance.org, +49-69-717139-0

Location: Astrid Henning-Jensen (Hall C2)

18:00

"Fossil of the day" award

Fossil of the Day awards are presented, in a spectacular, Hollywood-style daily ceremony, to the countries who do the most to obstruct progress in each day's climate negotiations. Since 1999, Fossils have been voted on by the hundreds of organizations of the Climate Action Network. Organizer: CAN International. Location: H-020 B.

All day

Human clocks

Human clocks will be wandering around the halls of the Bella Center gathering Countdown to Copenhagen pledges.

Organizer: Christian Aid. Location: in the NGO area and in the halls of the Bella Center.

All day

Avaaz aliens searching for climate leaders at the United Nations climate summit

Organizer: Avaaz. Location: all areas.

All day

Seal the Deal!

Organizer: UNEP Nairobi. Location: H-021 D.
