**List of speakers for the high-level segment attended by Heads of State,
Heads of Government and other heads of delegation**

The list below is the revised list of speakers who wish to deliver a policy statement under COP agenda item 9 of the COP and agenda item 15 of the CMP.

All speakers are reminded to be present in the plenary 10 minutes or at least two speakers prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Attending heads of state or government will be driven to the VVIP entrance of the Bella Center and from there escorted by a Protocol Officer to the seats of their delegation. The VVIP lounge will also be available for the heads of state or government before delivery of their statements.

Representatives are reminded that statements made during the high-level segment should not exceed the three-minute limit, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer to only have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

During the high-level segment, any last-minute changes in the name and rank of the speaker previously communicated to the secretariat should be provided to Ms. Dianiah Trought-Dederich directly in Plenary, so that the speakers' list can be corrected accordingly.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

Statements made during the high-level segment will be available live and on-demand, with English or floor audio streams. On-demand files will be available shortly after the close of each meeting.

*All Parties are kindly requested to provide the Conference Officer with **20 copies** of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide **700 copies**. These copies may be delivered to the Conference Officer's table located beside the podium in the plenary.*
