**SUBSIDIARY BODY FOR IMPLEMENTATION**

**Thirty-first session**

**Copenhagen, 7–18 December 2009\***

**Item 3 (b) of the provisional agenda**

**National communications and greenhouse gas inventory data from Parties included in Annex I to the Convention**

**Status report on the review of fourth national communications and preparations for the review of fifth national communications**

**Status of submission and review of fourth national communications  
and of reports demonstrating progress**

**Note by the secretariat**

1. This note provides information on the status of submission and review of fourth national communications, and of reports demonstrating progress under the Kyoto Protocol, from Parties included in Annex I to the Convention (Annex I Parties).
2. The Conference of the Parties (COP), by its decisions 4/CP.8 and 22/CP.7, requested that fourth national communications and reports demonstrating progress be submitted to the secretariat by 1 January 2006. The COP, by its decision 4/CP.8, requested the secretariat to continue to apply the procedures for review of national communications, including in-depth reviews, as defined by decisions 2/CP.1, 6/CP.3 and 11/CP.4. In addition, decision 7/CP.11 requested the secretariat to organize a centralized review of fourth national communications, submitted in accordance with decision 4/CP.8, and to conduct an in-country, in-depth review of the fourth national communication for those Parties that request one. Decisions 22/CMP.1 and 25/CP.8 set out the procedures for the review of national communications and reports demonstrating progress for Annex I Parties that are also Parties to the Kyoto Protocol.
3. At the time of preparation of this note, and as shown in the table below, the secretariat had received 40 fourth national communications<sup>1</sup> and 35 reports demonstrating progress under the Kyoto Protocol. All national communications and reports demonstrating progress under the Kyoto Protocol received so far have been posted on the UNFCCC website.<sup>2</sup>

4. The secretariat coordinated four centralized reviews of fourth national communications and reports demonstrating progress under the Kyoto Protocol, from 5 to 10 June 2006, from 16 to 21 October 2006, from 12 to 17 May 2008, and from 11 to 16 May 2009, in Bonn, Germany (two review teams worked in parallel during each review). It also coordinated in-country, in-depth reviews of the fourth national communications of Australia and the United States of America, and of the first national communication of Turkey. To date, all submitted fourth national communications from 40 Parties have been reviewed by international teams of experts and 34 reports of in-depth reviews of national communications have been published on the UNFCCC website.<sup>3</sup> This completes the review of submitted fourth national communications of Annex I Parties.

5. The COP, by its decision 10/CP.13, requested Annex I Parties to submit to the secretariat a fifth national communication by 1 January 2010 in accordance with Article 12, paragraphs 1 and 2, of the Convention, with a view to submitting the sixth national communication four years after this date. The Conference of the Parties serving as the meeting of the Parties, by its decision 8/CMP.3, requested Annex I Parties that are also Parties to the Kyoto Protocol to include in the fifth national communications submitted under the Convention and decision 10/CP.13, the necessary supplementary information under the guidelines established under Article 7 of the Kyoto Protocol.
