COP 16/CMP 6 President's Initiative on Stakeholder's Engagement in Climate Action

**6 December 2010
16.30 – 17.45
Cenote (Azteca)**

Attendance: Open to all participants

H.E. Ms. Patricia Espinosa, COP 16/CMP 6 President, invites all participants to a special interaction of stakeholders with Parties. In the presence of H.E. Mr. Felipe Calderón, President of the United Mexican States, representatives of stakeholders will provide inputs from their search for solutions to the challenge posed by climate change. Additionally, some initiatives launched this year by the host country in strengthening the involvement of key actors of organized society will be shared.

The room Cenote (Azteca) will be opened at 15.00 and participants are asked to take their seats by 16.00 to ensure the opening promptly at 16.30.

Security and fire regulations do not permit participants to stand. Please note that security will enforce this requirement.

Special announcements

Vacancies at the UNFCCC secretariat

Conference participants are encouraged to bring to the attention of qualified individuals in their countries/organizations the link to the employment page of the secretariat website:

<<http://unfccc.int/secretariat/employment/recruitment>>

Three professional positions are currently advertised:

Chief, Human Resources Unit, Administrative Services

Programme Officer, Reporting, Data and Analysis Programme

Programme Officer (SBI Focal Point), Financial and Technical Support Programme

The secretariat is committed to ensuring equitable geographical distribution and gender balance among its staff. To this end, it would like to especially encourage qualified women candidates and candidates from developing countries to apply for vacancies.

Announcements

Availability of meeting rooms

The demand for meeting rooms is expected to exceed the capacity of the conference premises and priority will be given to meetings directly associated with the negotiating process. The secretariat appreciates participants' understanding in this connection. Meetings will therefore only be confirmed at the earliest one day prior to the requested meeting taking place.

- Nizuc Media Centre** The media center for COP 16/CMP 6 is located at the Nizuc branch of the Moon Palace Hotel. The center provides full services for the writing press, including wireless access and computer center. An International Broadcast Center is available for the use of radio and TV outlets.
- Press conferences are held in rooms Sol and Luna in the Azteca (Expo-Center), and in Desierto (Cancunmesse). All press conferences are webcast live and on-demand and may be viewed on closed-circuit TV in all locations. A continuous shuttle bus operates from the lobby of the Nizuc Media Center to the entrance of Azteca (Expo-Centre) and back from the same location. Those traveling from or to the Cancunmesse may take the "Nizuc Express".
- Parties and observers are invited to bring to the Nizuc any press releases, publications or digital media for distribution to the media where they may be conveniently displayed on available shelving in the entrance lobby.
- For more information telephone the COP 16/CMP 6 media call center number: +521 998 283 2144
- Use of audio/video recording devices by participants at UNFCCC sessions** The making of audio and video recordings, including any external transmission, by Party or observer organization delegations during open and closed official meetings and in designated security zones is not permitted. The secretariat provides audio recordings of official meetings, as required by Parties. Webcasts are provided for open plenary meetings.
- Meditation room** A room for meditation and prayer is available to participants and is located in Cancunmesse, Hall D, and also in the "Meditation Garden" which is located on the beach stretching between Maya (Sunrise) and Nizuc Media Center.
- Catholic Mass** During COP 16 /CMP 6, a Catholic mass is held every morning at 7.00 a.m. in the chapel located in the Nizuc section of the Moon Palace Hotel.
- Webcasts of the sessions** For the duration of the conference, official Plenary meetings will be available live and on-demand, with English, Spanish and floor audio streams. Press conferences will be webcast in floor and Spanish languages as provided. A selection of side-events will be available on-demand only. On-demand files will be available within 24 hours after the close of each meeting, side-events within 48 hours. Please check the UNFCCC website for the date and time of webcast sessions at <unfccc.int/>.
- Online Services@Cancun** Besides classical website information on <unfccc.int>, the secretariat is offering the mobile version of the UNFCCC website <mobile.unfccc.int> and the official **iPhone/iPad** application 'Negotiator' for the conference.
- Using the iPhone/iPad application 'Negotiator', users can:
- get logistical information about the conference (directories, venue maps, etc.);
 - read the latest documents, agendas and meeting information;
 - view the latest YouTube videos and photos from the conference;
 - join the conference via the Facebook and Twitter channels.
- Please note: The iPhone/iPad app, 'Negotiator' can be downloaded FREE via iTunes app store.
- The secretariat is offering a special online reporting service to the media. Online videos will be made available on the website <unfccc.int> summarizing the secretariat's press briefing. This video can be viewed and downloaded for Podcast. The secretariat is encouraging online media to link to the online video. All videos can be found on <YouTube.com/climateconference> and iTunes.
- Community tools, such as Facebook, Twitter and Flickr will allow to participate and to respond to the conference in Cancun. All links can be found on the Cancun conference page on <unfccc.int>.

Blogger's Loft	<p>A special support area is available to participants who need a fixed Internet connection in order to upload multimedia content to the web, blogs and social networking sites. The Blogger's Loft on the upper level of the Cancunmesse provides workspace, power and fixed Internet connections for a limited number. The Blogger's Loft is prioritized for those working with multimedia content. Participants needing only access to the Internet for email or office purposes should utilize the computer centres or wireless zones.</p> <p>The Blogger's Loft is part of a pilot project by the UNFCCC secretariat with the United Nations Foundation that seeks to explore options for the participation of new "digital media" both physically and virtually in the UNFCCC process. During the Conference, all online media and bloggers using the Blogger's lounge will also be able to attend a series of interactive "digital media conversation" events to be held in the Desierto Press Conference Room in the Cancunmesse starting on Saturday, 4 December. Watch for the schedule in the Daily Programme.</p>
First Aid	Medical services are located in Maya (Sunrise) and Nizuc Media center.
Credentials	"Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs." Delegations are kindly requested to present the corresponding letters of credentials to the External Relations team in the Conference Affairs office, located on the ground floor, Sunrise/Maya (left of the escalators).
Climate Change Publications Counter	Publications clearly attributed to a Party or an observer organization can be distributed and displayed, after approval, at the Climate Change Publications Counter. The counter is located at Cancunmesse (Hall C). Please provide a sample to Ms. Claudia Pena-Martin at the Side Events and Exhibits Coordination Office, located at Cancunmesse (Hall C). The counter cannot manage large volumes, but will assist in changing the range of documents. Organizers of Exhibits are requested to display and distribute documents at their Exhibit booths. Side Event advertisements and invitations can be posted on the notice boards located in both Cancunmesse and Moon Palace.
	<p style="text-align: center;">Contact information Ms. Claudia Pena-Martin see@unfccc.int Tel: +52 1998 2413 873</p>
Delegation nameplates	Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.
Security	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience, but it is expected that participants will appreciate the need for such arrangements.
Medical and security Emergencies	The Mexican Government has dedicated numbers for emergency situations. Please note that the medical and security emergency number in Cancun is 066 . The medical and security emergency number in Moon Palace is 0 .
Building fire regulations	In order to ensure compliance with building fire regulations, UN Security may ask participants to refrain from accessing meeting rooms or vacate meeting rooms if the room capacity is full. Thank you for your cooperation.
Information Hotline	An information hotline has been established by the Mexican Government. The number for the Information hotline is 01 800 COP 1600 .

Lost and found items	Participants are reminded not to leave personal belongings in meeting rooms. Documents left in meeting rooms and on unattended desks will be removed. The Security office, located near the main entrance, is responsible for lost and found items.
Pigeonholes for delegates	Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located next to the Documents Distribution counter. Participants are requested to refrain from distributing non-official material via the pigeonholes.
Facilities for observer organizations	Offices for the business and industry non-governmental organizations (BINGOs), environmental non-governmental organizations (ENGOs), farmers non-governmental organizations (Farmers), indigenous peoples organizations (IPOs), local government and municipal authorities (LGMAs), research and independent non-governmental organizations (RINGOs), trade union non-governmental organizations (TUNGOS), youth non-governmental organizations (YOUNGOS) and the women and gender non-governmental organizations (Women and Gender) are located in Moon Palace (Chile, ground floor).
Catering	If you wish to order catering for your side event or meetings, please liaise directly with the official company at the following link http://www.inhouseservicescop16.com . Please note that catering orders can only be received through this website up to 72 hours prior to your event. In order to avoid overlaps of catering at side event, catering services will only be provided AFTER side events. It is the responsibility of the organizer to ensure that no food or beverages are taken inside meeting rooms. If you have any further questions, please contact Ms. Ofelia Peniche (see contact information below). On-site staff at the “in-house Services” desk at Cancunmesse will also be able to provide assistance.
Contact Information Ms. Ofelia Peniche openiche@centrobanamex.com Tel: +52 155 2728 7618	
Transportation arrangements	In order to ease the vehicle circulation inside and to and from the conference premises, participants should refrain from using private transportation and are encouraged to take advantage of the free conference shuttle or lobby to lobby buses connecting the different conference areas and these with the hotel zone.
Speed limit within Moon Palace grounds	The speed limit within the Moon Palace is of 40 km per hour. Please be reminded that wild animals have always the pass of way, therefore, drivers please slow down when passing close to grazing animals and be prepared to let them cross in front of your car.
Rio Conventions Calendar 2011 – Forests for People, Forests for the Earth	<p>The Rio Conventions Calendar 2011 will be distributed as of Monday, 6 December 2010, to all participants. The calendar will be made available from two distribution points: 1) Maya (Sunrise), main lobby at the information desk 2) Cancunmesse, RTCC stand, #123, Hall C. In Cancunmesse, calendars will be distributed from 10.00-12.00 and from 14.00-17.00.</p> <p>The official launch of the 2011 calendar will be celebrated in the presence of the three Executive Secretaries on Wednesday, 8 December 2010, 18.30 at the Climate Change Studio in Cancunmesse (Hall C).</p>

Interviews at the Climate Change Studio

In order to channel the dynamic and engaging views and ideas of participants, the secretariat has continued the “Climate Change Studio” — a platform that provides an opportunity for applicants to be interviewed briefly by a professional journalist on actions, solutions, observations and issues that impact on climate change. The Climate Change Studio is located in the exhibition area in Cancunmesse. For further information and scheduling of an interview, please contact Mr. Vineet Topa at the Side Events and Exhibits Coordination Office (Cancunmesse Hall C) or via email at see@unfccc.int

Time	Title/Theme	Organizer	Venue
12.00– 12.20	<p>Understanding Deforestation Trends: New Carbon Flux Estimates and New National Carbon Stock Datasets New carbon flux numbers show that tropical deforestation contributes roughly 10% of annual global CO2 emissions. Uncertainty in these rates is influenced by deforestation & carbon stocks. The datasets reduce carbon stock uncertainty by capturing variability in carbon stocks across the landscape.</p>	<p>The Woods Hole Research Center R. A. Houghton, Deputy Director and Senior Scientist and Alessandro Baccini, Assistant Scientist</p>	<p>Climate Change Studio (Cancunmesse Hall C)</p>
12.30– 12.50	<p>State of REDD+, challenges of implementation and its importance to curbing the rate of deforestation With 13 million hectares of forests lost annually, Frances Seymour, the Director General of the Center for International Forestry Research, will discuss the state of REDD+ negotiations, the impact an agreement could have on deforestation rates and the challenges of implementing a future pact.</p>	<p>Center for International Forestry Research Frances Seymour, Director General f.seymour@cgiar.org</p>	<p>Climate Change Studio (Cancunmesse Hall C)</p>
13.00– 13.20	<p>2.2 billion: The Power of One Child + One Tree = A sustainable Future for All The interview will explore the potential impact of the world’s 2.2 billion people under the age of 18, to re-forest the Earth and re-organize sustainable social change through child and youth-led environmental local actions for global change.</p>	<p>Earth Child Institute Donna Goodman, Executive Director donna@earthchildinstitute.org +1 203 376 9177</p>	<p>Climate Change Studio (Cancunmesse Hall C)</p>

Bloggers' Loft digital media events			
<p>The Bloggers' loft and the digital media "conversation" events are part of a pilot project by the UNFCCC secretariat organized with the support of the UN Foundation. The project seeks to explore options for using the Internet and social media to communicate and share information about the COP more broadly. These "conversations" are aimed at digital media, bloggers, and observers and offer an opportunity for informal discussion and exchange each day at 14.00 and 19.00 Monday-Friday. We hope you'll join us and share your ideas for interesting topics for briefings and dialogue. And, don't forget to use the Bloggers' Loft in the Cancunmesse for your filing and connection needs.</p>

Rio Conventions' Ecosystems and Climate Change Pavilion

The **Rio Conventions' Ecosystems and Climate Change Pavilion** is a collaborative outreach activity involving the Rio Convention secretariats, the Global Environment Facility and other important partners. In Cancun, the Ecosystems Pavilion will have a physical 'base' at Cancunmesse, but also has events at other locations, providing a diverse range of opportunities to discuss the linkages between biodiversity, climate change and sustainable land management.

During the course of COP 16/CMP 6, negotiators and other key decision-makers, scientists, and practitioners will be able to discuss the links between forest biodiversity and adaptation and mitigation; the role of oceans; indigenous peoples and communities, water, the role of protected areas, climate change biodiversity loss, desertification and land degradation, and financing. A full programme is available at <http://www.ecosystemspavilion.org/en/cancun>.
