- (j) The Global Environment Facility has played an important role in scaling up resources to address climate change;

5. *Requests* the GEF to continue improving its modalities to increase the responsiveness, effectiveness and efficiency of its support, including:

9. *Also requests* the Subsidiary Body for Implementation to initiate the fifth review of the financial mechanism at its thirty-seventh session in accordance with the criteria contained in the guidelines annexed to decisions 3/CP.4 and 6/CP.13, or as these guidelines may be subsequently amended, and to report on the outcome to the Conference of the Parties at its nineteenth session.]
