Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) took note of the status of contributions as at 15 May 2010¹ and expressed its appreciation to the Parties that had paid their indicative contributions to the core budget and for the international transaction log on time, and urged Parties that had not yet made their contributions to do so as soon as possible.
2. The SBI expressed its appreciation for the voluntary contributions received from Parties, particularly for the work of the Ad Hoc Working Group on Long-term Cooperative Action under the Convention and the Ad Hoc Working Group on Further Commitments for Annex I Parties under the Kyoto Protocol.
3. The SBI strongly urged Parties to provide contributions to the Trust Fund for Participation in the UNFCCC Process in order to ensure the widest possible participation in the negotiations. It also urged Parties to provide contributions to the Trust Fund for Supplementary Activities in order to cover the costs of additional sessions and other mandated activities not covered by the Trust Fund for the Core Budget of the UNFCCC.
