Letter dated 8 December 2011 from Papua New Guinea and Mexico addressed to the President of the seventeenth session of the Conference of the Parties proposing amendments to their proposal to amend to Articles 7 and 18 of the Convention

We refer to item 6 of the Provisional Agenda of the 17th session of the Conference of the Parties to the United Nations Framework Convention on Climate Change, “Consideration of Proposals by Parties for amendments to the Convention under its Articles 15 and 16”, and have the honour to attach hereto a revised version of the proposal of Papua New Guinea and Mexico submitted on 26 May 2011 to the secretariat to amend Articles 7 and 18 of the Convention.

We are very pleased with the results of the work done at the current session under the facilitation of Ms. Paula Caballero. The constructive atmosphere in which the proposal was considered and the engagement of many delegations during the discussions have shown the deep interest our proposal has generated among Parties. The attached revised version reflects drafting changes suggested during the discussions.

The proposal has been supported by other countries among them Chile, Colombia, Panama and Indonesia, and many others have also expressed their willingness to engage in further improvements. In this context, we are ready to continue working and make every effort to reach agreement on our proposal, as mandated in Article 15.3 of the Convention, and kindly request that the proposal be referred to COP-18/CMP-8 for its consideration.

We would be grateful if the Secretariat would communicate this letter with the Annex to the other Parties to the Convention.
