Daily Programme

Addendum

List of speakers for the high-level segment attended by admitted observer organizations

The high-level segment will conclude on Friday, 9 December with statements by intergovernmental and non-governmental organizations and the adoption of decisions and conclusions by the COP and the CMP.

Speakers are asked to be seated from the beginning of the session, as there may be changes in the order of speakers. Speakers are asked not to exceed a **two-minute limit**. Given the large number of statements, it is suggested that statements be as brief and concise as possible, with full texts available for distribution. Any changes to the speakers' list should be brought to the attention of the Observer Organizations Liaison team.

The plenary is open for all Parties, observer States and observer organisations. The proceedings can also be followed on the CCTV screens throughout the Conference Center.

Speakers wishing to have their statements distributed during the plenary meeting are requested to provide 300 copies to the Conference Officer located at the table beside the podium in the plenary. Statements that are delivered during the high level segment and for which electronic copies are provided to the secretariat, will also be available on the COP 17/CMP 7 website at <unfccc.int/>.

The Daily Programme is available electronically at <unfccc.int>. Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.
