Daily Programme

Addendum

List of speakers for the high-level segment attended by admitted observer organizations

The high-level segment will conclude on Friday, 7 December with statements by intergovernmental and non-governmental organizations.

Speakers are asked to be seated from the beginning of the session, as there may be changes in the order of speakers. Speakers are asked not to exceed a **two-minute limit**. Given the large number of statements, it is suggested that statements be as brief and concise as possible. Full texts of statements provided electronically to the secretariat will be available on the [PaperSmart portal](#). Any changes to the speakers' list should also be brought to the attention of the Observer Organizations Liaison team.

The plenary is open for all Parties, Observer States and observer organisations. The proceedings can also be followed on the CCTV screens throughout the Conference Centre.

The Daily Programme is available to view and download through the [UNFCCC website](#) and the ISPS portal [PaperSmart.un.org](#). Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.
