United Nations Climate Change Secretariat

Dear Secretariat UNFCCC,

As specified in the Decision 6/CP.17 of SBSTA, in Which Parties and relevant Organizations are invited to submit to the secretariat, by 17 September 2012, Their views on potential future areas of work of the Nairobi Work Programme, the Foundation Ecohabitats, it is Proposed to Establish an area of work on "mountains and climate change" (In the upper basin of Cauca River - indigenous reserves of Purace and Kokonuko, Statate del Cauca, Municipality of Purace) in view of the special attention needed by mountain ecosystems to adapt to the effect of climate change.

Provide Mountains vital goods and services to more than half of the world's population but fragile ecosystems They are That requires specific protection and management.
