Work programme to further the understanding of the diversity of nationally appropriate mitigation actions

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) took note of document FCCC/SBI/2013/INF.12/Rev.2.
2. The SBI also took note of the information provided by the experts at the in-session workshop to further the understanding of the diversity of nationally appropriate mitigation actions (NAMAs), as well as of the discussions that took place during the workshop, with a view to facilitating the preparation and implementation of NAMAs.
3. The SBI expressed its appreciation to the Parties that provided information at the workshop referred to in paragraph 2 above.
4. The SBI invited developed country Parties included in Annex II to the Convention and other developed country Parties in a position to do so to scale up financial, technology and capacity-building support for the preparation and implementation of NAMAs.
5. The SBI requested the secretariat to organize in 2014, as part of the work programme to further the understanding of the diversity of NAMAs, focused interactive technical discussions, including through one in-session workshop per session with input from experts,¹ on:
 - (a) More information relating to NAMAs, subject to availability, as specified in decision 2/CP.17, paragraphs 33 and 34, including underlying assumptions and methodologies, sectors and gases covered, global warming potential values used and estimated mitigation outcomes;
 - (b) Needs for financial, technology and capacity-building support for the preparation and implementation of specific measurable, reportable and verifiable NAMAs, as well as support available and provided, access modalities and related experience gained;

¹ Pursuant to decision 1/CP.18, paragraph 20.

(c) The extent of the matching of mitigation actions with financial, technology and capacity-building support under the registry.

6. The SBI requested the secretariat to:

(a) Report to SBI 40 (June 2014) and SBI 41 (December 2014) on the extent of the matching of mitigation actions with financial, technical and capacity-building support under the registry pursuant to decision 1/CP.18, paragraph 19(c), for consideration by the Parties;

(b) Provide an opportunity for Parties who wish to do so to share experiences with seeking support for NAMAs;

(c) Make available, on the UNFCCC website, information from the regional workshops on NAMAs.
