United Nations Climate Change Conference 2014
COP 20 and CMP 10
Lima, 1 December – 12 December 2014

Daily Programme

Addendum

Preliminary List of Speakers for the High-Level Segment

The list below is the preliminary list of speakers who have registered and confirmed their wish to deliver a statement at the high-level segment of the COP and the CMP. The list is provisionally divided into morning and afternoon segments to facilitate the organization of the order of speakers.

Please note that this is **not** a list of speakers who have expressed their wish to intervene in the High Level Dialogue on Climate Finance and/or the High Level Dialogue on the Durban Platform. Information on these High Level Dialogues will be communicated separately.

All speakers are reminded to be present in the plenary 10 minutes, or at least two speakers, prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium.

Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the number Parties and the limited amount of time available for statements, it will be necessary to limit the duration of each statement. In fairness to all speakers, time limits will be strictly enforced. It is suggested that statements be as brief and concise as possible. Following United Nations practice, a mechanism will be used to assist speakers in respecting this limit. **A bell system will signal speakers when the limit is approaching and speakers will be interrupted should they exceed the time limit.**

Parties are also encouraged to reduce oral statements to the 3 minute limit on the understanding that the full version of their statements will be posted on the UNFCCC website.

Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

Full texts of the official statements will not be circulated in hard copy in plenary during the high-level segment. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website. In order to have statements posted on the UNFCCC webpage, Parties speaking at the high-level segment are requested to e-mail an electronic copy of the statement to the following e-mail address <external-relations@unfccc.int>.

All Parties are kindly requested to provide the Conference Officer in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and the Conference records.

Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to Ms. Astrid Lehmborg or Ms. Jayne Marquard of the External Relations team, in the External Relations Office, located on Zone E in the Conference Affairs Services offices at the Conference venue.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

Collection of tickets for the 9 and 10 December Opening Ceremonies of the High-Level Segment

In light of the large number of participants at the sessions, it will be necessary to manage access to Plenary Lima through a system of secondary tickets for the opening ceremony of the High-Level Segment (HLS) on the mornings of Tuesday, 9 December and Wednesday, 10 December, beginning both days at 10.00.

Conference badges alone will not allow entry into Plenary Lima. A quota system has been established for delegations. The arrangements for the collection of tickets are indicated below.

Party representatives

The collection of the tickets for the opening ceremonies of the HLS will be possible as of Saturday, 6 December 2014 at 15.00 p.m. from the Information Desk located in Zone B. The tickets can be collected by the National Focal Point or by his/her authorized representatives. A letter nominating the authorized representative should be presented at the information desk. Kindly ensure that the authorized representative's phone number(s) is indicated in the letter itself. Each Party is guaranteed four seats. A limited number of overflow seats will be provided.

UN organizations and Agencies

Tickets to attend the opening ceremonies of the HLS will be available from the Information Desk located in Zone B as of Saturday, 6 December 2014 at 15.00 p.m. The tickets can be collected by staff member authorized by their agencies. Two seats are guaranteed plus a limited number of overflow seats.

Intergovernmental organizations (IGOs)

Tickets to attend the opening ceremonies of the HLS will be available from the Information Desk located in Zone B as of Saturday, 6 December 2014 at 15.00 p.m. Two seats are guaranteed plus a limited number of overflow seats. The tickets can be collected by a member of the delegation authorized by the head of the delegation, upon presentation of a letter signed by the head of delegation. Please include a telephone number of the member authorized to collect the tickets in the letter.

Non-Governmental Organizations (NGOs)

For NGO constituency members, a limited number of tickets to attend the HLS opening ceremonies will be available through the constituency focal points. Please contact your constituency focal points as of Saturday, 6 December 2014 at 15.00 p.m., who will receive the tickets for distribution.

Site access

Please note that by introducing this system of distribution of tickets, categories represented at the sessions (Parties, UN, IGOs and NGO constituencies) will receive tickets for a set quota of representatives who can enter Plenary Lima. These tickets are transferable among the representatives within a Party delegation or each observer category. These arrangements are in force only for the mornings of Tuesday, 9 December and Wednesday 10 December 2014 for the opening ceremony of the High-Level Segment.

Participants are also encouraged to follow the opening ceremony of the HLS in Plenary Cusco, the overflow room.
