Daily Programme

Congratulations to the Group of 77 !!!!

On the occasion of the 50th anniversary of the Group of 77, the secretariat of the United Nations Framework Convention on Climate Change would like to convey to the Chair and all the member States of the Group our heartfelt and warmest congratulations as the Group reaches this important milestone.

The Group was founded in Geneva on June 15, 1964, by the 'Joint Declaration of Seventy-Seven Developing Countries' issued at the end of the first session of the United Nations Conference on Trade and Development.

Today, the Group of 77 is the largest intergovernmental negotiating group of the international community with 132 members and one associated State and is a key actor in any international negotiation.

The secretariat wishes to express its appreciation to the Group of 77 for their continued commitment to the Framework Convention on Climate Change and to the negotiating process. The secretariat wishes the Group continued success in all its future endeavours and provides the assurances of our highest consideration.

The Daily Programme is available electronically at <unfccc.int>. Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.
